PUBLIC BENEFITS

During the year ended 31 December 2025, RCCG Place of Help, Farnborough continued to deliver public benefit through the advancement of the Christian faith, community outreach, pastoral care, welfare support and practical programmes that strengthened individuals, families and the wider community. The charity's worship services, Sunday School, prayer meetings, Bible study sessions, fellowship activities and periodic spiritual programmes remained open to members of the public and provided opportunities for teaching, encouragement, prayer, reflection and positive moral development.

The Charity's activities supported people beyond regular worship attendance. Through pastoral support, counselling, visitation and community engagement, the charity helped individuals and families receive encouragement during challenging periods and promoted values such as responsibility, compassion, service, unity and hope. These activities helped to reduce isolation, build confidence and encourage positive relationships within the local community.

In 2025, the charity also promoted public benefit through empowerment-focused seminars and practical teaching sessions. These covered areas such as personal finance, academic development, career growth, marriage and relationship matters. The purpose of these seminars was to equip members and interested members of the public with practical knowledge that could support better decision-making, stronger family life, improved employability, educational progress and responsible financial planning.
The charity continued to express its Christian values through outreach and seasonal community service. During the Christmas season, volunteers participated in outreach at Farnborough Town Centre, sharing messages of goodwill, encouragement and hope with members of the public. This activity helped the charity engage directly with the wider community, promote inclusion and demonstrate practical care during a period when many people value companionship, encouragement and kindness.

Overall, the trustees consider that the charity's public benefit in 2025 was delivered through a balanced programme of worship, teaching, pastoral care, community engagement, empowerment seminars, seasonal outreach and support for people in need. These activities contributed to spiritual, emotional, social and practical support for beneficiaries and helped promote community cohesion in line with the charity's objectives.

REVIEW OF ACTIVITIES

The church continues to enjoy tremendous growth in its physical and spiritual life during the year, and in advancement of Christian faith in accordance with the doctrines set out in its statement of faith contained in our governing document.

VOLUNTEERS

The trustees are grateful for the dedication, sacrifice and commitment of the volunteers who supported the charity's work throughout the year. Volunteers played a central role in enabling the charity to deliver its worship services, Bible teaching, prayer meetings , pastoral care, outreach activities, digital communications, welfare support, administration and community engagement programmes.

Volunteers served across different areas of the charity's work, including welcome and hospitality, follow-up and visitation, welfare support, outreach, prayer, choir, teaching, technical and multi-media support, transport, administration and event coordination. Their services helped the charity maintain a welcoming, organised and supportive environment for beneficiaries and visitors. Their involvement is also important in delivering empowerment seminars and community outreach activities.

During the year, volunteers provided more than 2400 hours of service. Conservatively valued at £10.00 per hour, this represents a contribution of over £24,000.
The charity will continue to appreciate, encourage, train and support its volunteers to enhance the the quality of services they rendered to the Charity.

PRINCIPAL FUNDING

Funding has been provided mainly via tithes and offerings by church members and through donations. Pledges are also taken for specific projects.

RESERVES POLICY

The trustee's policy is to have unrestricted and uncommitted funds (free reserves) to cover 3 to 6 months of resources expended. They feel that this would enable the current activities to continue if there is any significant drop in funding. It would obviously be necessary then to consider how the funding would be replaced or activities changed.

GRANT MAKING POLICY

The church supports visiting ministers of the gospel both within and outside the United kingdom. Support is also given to RCCG Central Office, World Evangelism Mission, Festival of Life and other RCCG programmes. ACHIEVEMENT AND PERFORMANCE

During 2025, RCCG Place of Help, Farnborough made positive progress in advancing its charitable objects through worship, teaching, empowerment, outreach and community engagement. These seminars complemented the charity's spiritual activities by by helping beneficiaries develop confidence, make informed choices and apply useful principles in personal, family and professional matters.
The finance-focused empowerment sessions supported participants with practical awareness of financial stewardship, budgeting, planning, responsible decision-making and the importance of managing resources wisely.
