THE ELEVATION CHURCH UK

Public Benefits Statement

The Elevation Church UK is focused on driving its objects for public benefit in line with the provisions of the relevant regulations. In the period under review, some of the relevant activities include the following:

- Provision of information and hosting of events aimed at strengthening family life and relationships through webinars, teachings, and one on one counselling for interested parties.
This is aimed at strengthening families and homes as the foundational institution for the society

- Webinars and educational resources provided to men through the Men's Room initiative aimed at empowering participants to live their best lives and be their best selves thereby bringing progress and advancement to their respective homes and families

- Community engagement events held in the summer to create atmosphere of interaction, friendship and promote the principles of community and love.

- Two weeklong events for children under thirteen and youths above thirteen held in the summer to equip the teenagers with life skills relevant to their current phases of life and for thriving in today's complex world. These events were hosted and open to participants from all walks of life. Attendees were from several cities in different countries in Europe and Africa.

THE ELEVATION CHURCH UK

Trustess Report for the 12 Months Account to December 31, 2025

The Trustees, who are also the directors of The Elevation Church UK for company law purposes, present their report together with the financial statements for the year ended 31 December 2025.

The report has been prepared in accordance with the requirements applicable to charitable companies and the principles of the Charities Statement of Recommended Practice.

1. REFERENCE AND ADMINISTRATIVE INFORMATION

Name: The Elevation Church UK
Charity Number: 1195403
Company Number: 13136210

Registered Office:
Crown House
27 Old Gloucester Street
London
WC1N 3AX

The Elevation Church UK is a charitable company limited by guarantee, incorporated on 15 January, 2021 and subsequently registered with the Charity Commission.

The Trustees serving the charity during the reporting period were responsible for the governance, strategic oversight and stewardship of the charity.

2. STRUCTURE, GOVERNANCE AND MANAGEMENT

The charity is governed by its Memorandum and Articles of Association.

The Trustees are responsible for setting the overall direction of the charity and ensuring that its activities are undertaken in furtherance of its charitable objects. Operational and ministry responsibilities are delegated to church leaders, staff and volunteers within an appropriate framework of accountability and oversight.

The Trustees maintain oversight of the charity's finances, safeguarding arrangements, regulatory responsibilities and principal risks. Appropriate policies, procedures and controls are maintained and reviewed periodically to support effective governance and responsible stewardship.

The charity relies considerably on the commitment of volunteers who serve across worship services, children and youth activities, pastoral care, small groups, administration, media and production, hospitality, community engagement and other ministry activities.

3. The Charity's objects are:

The principal object of The Elevation Church UK is the advancement of the Christian faith for the public benefit. This is pursued through activities including:

- holding worship services, prayer meetings, Bible teaching and other Christian gatherings;
- teaching and communicating the Christian faith through physical and digital platforms;
- providing pastoral care, discipleship and opportunities for spiritual development;
- producing and distributing Christian teaching and other faith-based resources;
- supporting children, young people, adults, couples and families through relevant programmes and activities;
- building Christian community through small groups and local fellowships;
- undertaking community engagement and outreach intended to contribute positively to the wellbeing of the communities served; and
- supporting the wider Christian community and other ministries where this is consistent with the charity's objects.

The church expresses its mission through its overarching vision of **"Making Greatness Common."**

4. ACTIVITIES AND PUBLIC BENEFIT DURING 2025

During 2025, The Elevation Church UK continued to pursue its charitable object of advancing the Christian faith for the public benefit through worship, prayer, Christian teaching, discipleship, pastoral support, community engagement, public events and the production and distribution of Christian resources.

The charity operated through four principal church expressions in London, Manchester, Leeds and Bristol, supported by a wider network of Greatness Communities and small groups in other parts of the United Kingdom.

The charity's activities included religious services and gatherings, Christian education, community outreach, empowerment initiatives, digital ministry and practical support intended to contribute positively to the wellbeing of individuals, families and communities.

4.1 Worship, Prayer, Bible Teaching and Discipleship

Christian worship, prayer and Bible teaching remained at the heart of the charity's activities throughout 2025.

Regular congregational services were held through the four church expressions in London, Manchester, Leeds and Bristol. These gatherings provided opportunities for worship, prayer, biblical teaching, Christian fellowship and pastoral engagement.

Alongside Sunday services, the charity provided opportunities for deeper Christian formation through prayer gatherings, small groups, discipleship activities, maturity programmes and leadership development.

The London expression continued to offer structured maturity courses designed to support Christian growth, leadership development and service. Dedicated provision was also available for adults, teenagers and children.

Manchester provided regular worship and teaching alongside small-group activities designed to strengthen relationships, Christian fellowship and spiritual growth. Christian evangelistic and discipleship resources were also made available to participants and the wider community.

Leeds and Bristol similarly provided worship, prayer, teaching, fellowship and small-group opportunities, with an emphasis on helping people build meaningful relationships, develop in their Christian faith and become active participants in the life of their local communities.

4.2 Children, Young People and Families

The charity continued to provide activities specifically designed for children, teenagers, young adults and families.

Across the church expressions, Kids Church and Elevate Student Ministries provided age-appropriate opportunities for children and young people to participate in Christian teaching, worship, fellowship and spiritual development.

The London expression operated dedicated children's and teenagers' ministries alongside its principal adult Sunday services, while Manchester, Leeds and Bristol also provided structured activities for children and younger people within their local congregations.

The charity also provided teaching, pastoral support and activities relevant to adults, couples and families, recognising the important contribution that healthy relationships, strong families and supportive communities make to individual and social wellbeing.

4.3 Greatness Communities and Local Fellowship

* The charity's activities extended beyond its four principal Sunday-service locations through its network of Greatness Communities.

These communities provide smaller and more locally accessible environments for Bible study, prayer, fellowship, relationship-building and pastoral support, particularly for individuals who live some distance from an established TEC UK church expression.

During 2025, communities operated or were being developed in areas including Birmingham, Liverpool, Reading, Scotland, Newcastle, Hampshire, Kent, Bedfordshire and Norwich. Some met physically, others combined physical gatherings with online engagement, while several participated in wider TEC UK prayer and discipleship activities.

The Birmingham community combined physical Bible study and fellowship gatherings with participation in weekly prayer activities. The Scotland community, covering Edinburgh and Aberdeen, met virtually on Sunday evenings, while the Newcastle community combined periodic gatherings, member visitation and connection with the Leeds church expression.

The Greatness Community model enables the charity to maintain Christian fellowship and pastoral relationships across a geographical area considerably wider than its four principal congregational locations and provides a pathway through which emerging communities can develop over time.

4.4 Community Engagement and Charitable Partnerships

Community engagement remained an important expression of the charity's Christian mission during the year.

The London expression undertook a community fundraising initiative in support of Islington Giving, operated by the Cripplegate Foundation. The initiative formed part of the church's anniversary activities and sought to contribute towards increasing opportunities and improving quality of life for residents of Islington, where the London congregation has been based since 2021.

London's wider community engagement has also included support for local food-bank and charitable initiatives, volunteer mobilisation and practical activities aimed at supporting people experiencing need within the local community.

The Manchester expression has developed community relationships aimed at combining Christian ministry with practical support. These include engagement with Salford Foodbank, involving the provision of groceries, volunteer support and assistance with access to foodbank services.

Manchester's Settled initiative has also provided practical information and support to people adjusting to life in the United Kingdom, particularly immigrants and newer residents. This has included collaboration with HSBC to provide accessible financial information and guidance.

During 2025, Manchester also held Church in the Park at Peel Park, Salford. The free outdoor gathering brought together Christian worship, music, fellowship and community engagement and provided an informal opportunity for both existing church participants and members of the wider community to connect.

Across the charity, church expressions and Greatness Communities are encouraged to identify practical opportunities to serve their local communities and to work with appropriate charitable, voluntary and community organisations where collaboration can increase public benefit.

4.6 Digital Ministry and Free Resources

Digital ministry continued to extend the reach of the charity beyond those able to participate physically in its services and activities.

SI

Church services, Christian teaching, prayer resources and other faith-based content were made available through digital channels and online platforms.

The London expression used its online platforms to provide access to Christian teaching and information about prayer, maturity courses, small groups, family activities and other church programmes.

Manchester provided Christian resources including Alpha materials and electronic evangelistic resources, while Leeds and Bristol also made Christian teaching and faith-based materials available through their digital platforms.

Digital communication was particularly important within the Greatness Community network. Online meetings, WhatsApp engagement, shared teaching and participation in wider TEC UK prayer activities enabled communities to maintain relationships and Christian fellowship where frequent physical gatherings were less practical.

These activities supported the charity's objective of making Christian teaching and resources accessible beyond its physical congregational locations.

4.7 Volunteering and Opportunities to Serve

Volunteers continued to play a central role in delivering the charity's activities.

Across London, Manchester, Leeds, Bristol and the wider Greatness Community network, volunteers contributed to worship and music, children's and youth activities, hospitality, technical and media services, administration, pastoral support, small groups, events and community-facing activities.

The church expressions actively encourage members to volunteer and contribute their skills, experience and time to the delivery of charitable activities. London also operates organised ministry teams through its Greatness Squads structure.

Volunteer service provides individuals with opportunities to contribute positively to the lives of others while significantly increasing the charity's capacity to deliver its activities.

4.8 Overall Public Benefit

In planning and delivering its activities, the Trustees have had regard to the Charity Commission's guidance on public benefit.

The charity's work is principally directed towards the advancement of the Christian faith but extends beyond formal congregational worship to include Christian education, children's and youth activities, community-building, practical community support, empowerment events, volunteering, digital resources and collaboration with charitable and community organisations.

The majority of the charity's principal worship services and many of its events, activities and resources are accessible to members of the general public and do not require formal church membership.

Through its four church expressions, Greatness Communities, digital platforms, public events, volunteer programmes and community partnerships, The Elevation Church UK seeks both to provide opportunities for people to encounter and grow in the Christian faith and to make a positive contribution to the wellbeing of the communities it serves.

5 VOLUNTEERS

Volunteers remain essential to the delivery of the charity's activities.

Individuals give their time across a wide range of areas including worship and music, children and youth ministry, hospitality, technical and media support, pastoral care, small-group leadership, administration, prayer, community activities and event support.

The Trustees acknowledge and appreciate the significant contribution made by volunteers across all four church expressions and the wider Greatness Community network.

6. FINANCIAL REVIEW

The financial results for the year and the charity's financial position at 31 December 2025 are set out in the accompanying financial statements.

The charity's principal source of income continues to be voluntary giving and donations from individuals who support its mission and activities.

The Trustees continue to monitor income, expenditure and commitments with the objective of ensuring that the charity's resources are applied appropriately towards its charitable purposes and that the organisation remains financially sustainable.

7. RESERVES

The Trustees keep the charity's level of reserves under review, taking into consideration its continuing ministry commitments, operating requirements, anticipated expenditure and the need to maintain sufficient financial resilience to respond to unexpected circumstances.

The Trustees seek to balance the appropriate retention of reserves with the use of the charity's resources to advance its charitable objects.

8. RISK MANAGEMENT AND INTERNAL CONTROL

The Trustees recognise their responsibility to identify and manage the principal risks faced by the charity.

The charity maintains policies, procedures and internal controls addressing areas including financial management, safeguarding, conflicts of interest, volunteer management, risk management and other relevant governance matters.

The Trustees and leadership continue to review the organisation's arrangements as its activities and geographical reach develop.

9. PLANS FOR 2026

The charity intends to continue strengthening its four principal church expressions in London, Manchester, Leeds and Bristol while developing the effectiveness and sustainability of the wider Greatness Community network.

Priorities include:

- strengthening Bible study, prayer, discipleship and fellowship within local communities;
- supporting regular physical gatherings alongside appropriate online engagement;
- encouraging Greatness Communities to engage positively with their local communities through suitable outreach and community-impact activities;
- strengthening pastoral and leadership support for community leaders;
- maintaining accurate membership and participation information;
- improving regular reporting and communication between Greatness Communities, church expressions and central leadership; and
- continuing to develop appropriate systems, volunteers and administrative support for a growing multi-location church.

The church intends to encourage Greatness Communities to combine regular Christian fellowship with practical engagement in their local communities, including periodic community-impact initiatives.

THE ELEVATION CHURCH UK

STATEMENT OF TRUSTEES' RESPONSIBILITIES

10. TRUSTEES' RESPONSIBILITIES

The Trustees are responsible for preparing the Trustees' Annual Report and financial statements in accordance with applicable law and United Kingdom accounting requirements.
They are responsible for maintaining adequate accounting records, safeguarding the assets of the charity and taking reasonable steps for the prevention and detection of fraud and other irregularities.
The Trustees are also responsible for ensuring that the charity continues to operate in accordance with its charitable objects and for the public benefit.

THE ELEVATION CHURCH UK

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES

I report on the Financial Statements of The Elevation Church UK for the period ended 31st December 2025 which have been prepared in accordance with the Charities Act 2011 and with the Financial Reporting Standard for Smaller Entities (FRSSE) effective April 2008 as modified by the SORP issued by the Charity Commission for England and Wales.

My report is in respect of an examination carried out in accordance with the Church Accounting Regulations 2006 ("the Regulations") and the Charities Act 2011 ("the Act").

The report is made solely to the Board of Trustees. My examination has been undertaken so that I might state to the Trustees those matters as may be required to be stated in an independent examiner's report and for no other purpose.

To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the Board of Trustees of The Elevation Church UK, for my examination, for this report or for the opinions I have formed.

Respective responsibilities of trustees and examiner

The charity's trustees (who are also the directors for the purposes of company law) are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under "The Regulations" in accordance with Part 16 of the Companies Act 2006 and that no member or members have requested an audit pursuant to section 476 of the Companies Act 2006, and that there is no requirement in the governing document or constitution of the Charity for the conducting of an audit, that Section 144(2) of the Act does not apply and that an independent examination is required.

Having satisfied myself that the charity is not subject to audit under company law and is eligible for independent examination, it is my responsibility to:

-examine the accounts under Section 145 of the Act.

-to follow the procedures laid down in the General Directions given by the Charity Commission (underSection 145(5)(b) of the 2011 Act); and

-to state whether matters have come to my attention.

Basis of the independent examiner's report

My examination was carried out in accordance with the General Directions given by the Charity Commission for England & Wales setting out the duties of an independent examiner issued by the Charity Commissioners under section 43(7)(b) of the Act) in relation to the conducting of an independent examination, referred to above.

An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts and seeking explanations from you as trustees concerning any such matters.

The purpose of the examination is to establish as far as possible that there have been no breaches of the Charities legislation and that the financial statements comply with the Statement of Recommended Practice issued by the Charity Commissioners for England & Wales (effective April 2005 as modified in June 2008), on a test basis, of evidence relevant to the amounts and disclosures in the financial statements.

The procedures undertaken do not provide all the evidence that would be required in an audit, and information supplied by the trustees in the course of the examination is not subjected to audit tests or enquiries, and consequently I do not express an audit opinion on the view given by the financial statements, and in particular no opinion is given as to whether the accounts present a 'true and fair view ' and the report is limited to those matters set out in the statements below.

I planned and performed my examination to satisfy myself that the objectives of the independent examination are achieved.

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES - continued

Independent examiner's statement, report, and opinion

Subject to the limitations upon the scope of my work as detailed above, in connection with my examination, I can confirm that:

1. In accordance with Regulation 31 of The Charities (Accounts and Reports) Regulations 2008, the accounts of The Elevation Church UK are not required to be audited under Part 16 of the Companies Act 2006.

2. this is a report in respect of an examination carried out under section 43 of the Charities Act 1993 and in accordance with any directions given by the Commission under subsection (7)(b) of that section which are applicable.

3. that no matter has come to my attention:

(a) which gives me reasonable cause to believe that, in any material respect, the requirements

_ to keep accounting records in accordance with Section 130 of the Companies Act and

_ to prepare accounts which accord with the accounting records, comply with the accounting requirements of relevant sections of the 2011 Act and with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities have not been met.

(b) that would have indicated grey areas in the understanding of the accounting records kept.

Notes to the Financial Statements for 12 Months Account to December 31, 2025

1 ACCOUNTING POLICIES

1 Accounting convention

The financial statements have been prepared under the cash basis of accounting. Under this basis, revenues and related assets are recognized when recieved rather than when earned and expenses are recognised when paid rather than when obligation is incurred.

The cash basis of accounting differs from generally accepted accounting principles primarily because the Organization has not recognized contributions and program service fees receivable; and accounts payable to vendors, and their related effects on the change in net assets.

1 Cash and Cash Equivalents

Cash and cash equivalents consist of cash in bank and money market funds.

1 Taxation

The charity is exempt from corporation tax on its charitable activities.

1 Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustess.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund can be provided on request.

2 TRUSTEES' REMUNERATION AND BENEFITS

There were no trustees' remuneration .
