ACHIEVEMENTS AND PERFORMANCE

The charity has achieved significant progress in developing the services and welcoming the new cancer survivors in a safe environment for their needs. The incorporation of our excellent services provides a supportive and accessible place where those who have been affected by cancer can receive adequate support whilst slowly regaining their strength to go forward.

Through this year's development of the charity, we have provided opportunities for the users to engage in a therapeutic library and sport activities that promote their physical and emotional well-being. We are also very grateful to the National Lottery for funding our emotional support project, which enables us to provide support groups and individual therapy to those in need. Moreover, our team of support workers are continuously providing the support and assistance needed for the cancer survivors. Additionally, we were able to support many people who are still in the midst of regaining their strength with cooked food and groceries, allowing them to focus completely on recovery.
The charity's efforts in development have helped to address the barriers for people coming out of a cancer crisis. They often face hardships in accessing appropriate support and activities. By creating support that is tailored to their needs, the charity has made a significant contribution to the health, happiness, and development of these people. Overall, the charity's achievements in developing the emotional and physical wellbeing of cancer survivors have had a positive impact on their lives and their families, providing them with supportive and inclusive services where they can thrive.

I report in respect of my examination of the Trust's accounts carried out under Section 145 of the Act and in carrying out my examination I have followed all applicable Directions given by the Charity Commission under Section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:
