Trustees

Dov Yitzchak Katzel
Levi Issac Weinman
Bracha Brenda Chantal Benchemhoun FCCA BSc

The Trustees named above have served throughout the period. Appointment of Trustees is governed by the Constitution of the charity. The Board of Trustees is authorised to appoint new Trustees to fill vacancies arising from resignation or death of an existing Trustee.

The Constitution authorises the Trustees to make or hold investments in the general funds of the charity.

Description of organisation

Chabad Lubavitch of Pinner was founded and registered independently with the Charity Commission as a CIO on 18th November 2021 under registration number 1196650.

Constitution, objectives, policies and public benefit

The Charity is governed by a constitution and its objectives are:

(a) The advancement of the Jewish religion for the benefit of the public, including through communal prayers, lectures, and celebration of festivals.
(b) Provision of education to adults and children in the heritage, culture and language of Judaism.
(c) Provision of welfare and social support for Jewish people, especially those who are socially excluded.
We have an open-door policy for all our activities, welcoming both members and people with no affiliation.

The policy of the Charity continues to be to seek additional finance and support in order to enable it to continue and expand its objectives and activities.

The Charity's main sources of income are voluntary donations, including donations received via the Achisomoch Aid Company.

Fundraising

The charity's fundraising is primarily carried out by the Rabbi, through direct approaches to individuals and other charitable trusts. No complaints were received about the nature of fundraising carried out on behalf of the Charity.

The Trustees are grateful to all the benefactors whose generous contributions remain an important element in the ability of the charity to continue its work.

Changes in policy

The Charity's policies have remained the same throughout the period.

Organisational structure and management of the charity

The Management of the Charity is vested in the trustees. The trustees have experience in a wide variety of fields and possess a broad range of knowledge and expertise that is of great help in the management of our affairs.

The Trustees and the Rabbi meet regularly to discuss any relevant matters. The day-to-day management of the charity is delegated to the Rabbi, supported by volunteers.

Risk management and safeguarding

The trustees have examined the major strategic, business and operational risks that the charity faces and confirm that systems have been established to enable regular reviews to be carried out so that the necessary steps can be taken to lessen these risks.

Principal office

The principal office of the charity is 5 Brayford Square, London E1 0SG.

Reserves policy

The charity currently holds minimal reserves, as its activities are funded from donations received and applied within the year. The charity held cash funds of £6.65 at 30 November 2025. The trustees aim to build a modest reserve over time.

Statement of trustees' responsibilities

The trustees are responsible for keeping proper accounting records and preparing annual accounts in accordance with the Charities Act 2011. The trustees are also responsible for safeguarding the assets of the charity and taking reasonable steps for the prevention and detection of fraud and other irregularities.

Finances

Our accounts are prepared on a receipts and payments basis in line with the Charity Commission guidelines for small charities (income below £250,000).

As our main work is with an unaffiliated population, we do not rely on membership for income, but on voluntary contributions and donations.

Total receipts for the period were £3,887.91 and total payments were £3,897.81, a net decrease in funds of £9.90. Cash funds carried forward at 30 November 2025 were £6.65. The full Receipts and Payments Account and Statement of Assets and Liabilities are set out later in this document.

Area of operation

Chabad Lubavitch of Pinner focuses on the Jewish population of Pinner, Ruislip and Northwood. We open our activities to all-comers irrespective of whether or not they are formally affiliated with the community.

Review of activities

The trustees have reviewed the objectives and activities of the charity to ensure they continue to reflect our aims, having regard to the Charity Commission's guidance on public benefit. Our activities during the period continued to include:

Care Packages

Providing families and individuals in the community with regular care packages, including hot, nourishing meals, particularly to those who are isolated or struggling financially, and in the case of a bereavement, birth, or similar event.

Communal activities and events

Hosting a range of engaging communal activities and community dinners and parties throughout the period.

Public Menorah lighting

The annual public menorah (candelabra) lighting to celebrate Chanukah, including entertainment and photography of the event, as in previous years.

Classes and lectures

A range of classes and lectures, in person and online, on topics of Jewish interest, supported by books and other educational materials.

3 Fund structure

All income and expenditure is held within a single unrestricted fund. The charity has no restricted or designated funds.
