2. Structure, Governance, and Management

U-Turn Outreach is a Charitable Incorporated Organisation, registered with the Charity Commission on 26 November 2021. The Constitution provides for a minimum of 3 trustees who are elected by all members at the AGM. If there is a vacancy between AGMs, Charity Trustees can appoint a new Trustee until the next AGM. Elected trustees serve for 3 years after which they may put themselves forward for re-election. The majority of trustees must reside in England and Wales.

3. Objectives and Activities

The prevention or relief of poverty amongst homeless people in the Republic of South Africa and other parts of the world as the trustees may decide by providing grants to charities or other organisations working to prevent or relieve poverty, in particular but not exclusively by improving the conditions of people who are homeless, finding pathways for people out of homelessness and the provision of food, clothing and mental health support.

The advancement of the Christian faith for the benefit of the public in the Republic of South Africa and other parts of the World as the trustees may decide by providing grants to charities or other organisations who advance the Christian faith, in particular but not exclusively by providing opportunities for the homeless community and those who work to support them to engage in prayer, Bible study and religious education.

4. Achievements and Performance

During the year we have been able to create a new fundraising portal through Enthuse, who manage all donations and gift aid.

Some Income has been received from individual donations and funds have started to be built up.

We expanded our group of Trustees, with the purpose of building a more secure base of regular donors located in the UK.

We commissioned a new website to help the promotion of the charity.

We agreed an updated mission and action plan in January 2026 to focus the charity activity for the coming year.

The Trustees have complied with their duty to have due regard to the Charity Commission's public benefit guidance. They have ensured that U-Turn Outreach works towards its public benefit purposes.

5. Financial Review

Income: £1,086

Disbursements: £nil

Other Expenditure: £210

Surplus for the year: £876

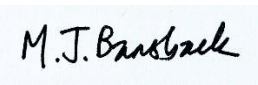

All income and expenditure were in relation to regular donations being received through Enthuse platform, and via CAF, with the expenditure related to the associated platform/administration fees. No charitable disbursements were made in the year.

Funds will be maintained to provide the level of working capital required to protect the continuity of our core work. We do not currently have paid staff or other regular operating expenses so this level will be modest as we seek to responsibly maximise distributions.

6. Declarations
