Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	2025 During 2025 we awarded 11 therapy grants. These were for a mix of therapies including Physiotherapy, Music Therapy and Hippotherapy. We awarded grants to families based in Shropshire, Cheshire & North Wales – so 3 out of the 4 areas that we support. We received positive testimonials from several families to express how important the funding was for their child's therapy access. In terms of fundraising, we introduced both a Pamper Evening and a Xmas Wreath Making evening to raise funds throughout the year, alongside our usual Xmas Raffle and Wrexham Lottery. We would like to thank Whittington Senior Citizens Club who once again raised funds through Bingo Nights. We also had a Bingo night run on our behalf in Bangor on Dee – thank you to all involved.

Achievements against objectives set	Para 1.41	The focus for the year was continuing to raise the profile within our local areas and explore future fundraising opportunities. This would allow us to increase the profile of the TSF brand and in turn support more families with grants. Towards the end of the year, we introduced some different types of events – pamper evening and wreath making – but we also discussed the possibility of nurturing some corporate contacts and that this may need some support from people with experience.
Performance of fundraising activities against objectives set	Para 1.41	We have been able to raise enough funds to award the grants that have been applied for during 2025. We are looking at improving the profile of the charity over the next couple of years and this may lead to an increase in grant applications. Therefore we have started to discuss the possibility of some larger scale events as our current format would not allow for this.
