Annual Report and Return 2025

Anima Una 1197426

The CIO was inaugurated on 11th January 2022

We were using the Chapter House of Merton Priory on a licence from Merton Council with a nil rent. However, because the kitchen and toilets had not been connected to the drains, the operation of Anima Una was limited.

In this year 2025 we held a summer drama 'play in a day' for one day and about 7 children participated. All the fee income was paid to our excellent trained & qualified drama teacher.
