Africa Against Stroke
Charity Number: **1198817**

The Trustees present their report and financial statements for the year ended 31 December 2025.

Charity Number: 1198817
Address: 298–304 Aylsham Road, Norwich, NR3 2RJ
Trustees

- Gilles Rendy (Chair)
- Adiman Agoh Olivier Gnondui
- Rosine N'Cho
- Gilbert Eyenga
- Armande Sonia Kacou

Objectives and Public Benefit

Africa Against Stroke is committed to reducing the incidence and impact of stroke in Africa. The charity works to raise awareness, support stroke survivors and collaborate with local communities and healthcare professionals to improve stroke prevention and care.

The charity's primary objective remains the reduction and prevention of stroke through education, awareness and community engagement activities. During the year, trustees continued to promote awareness within their local communities, particularly in Norwich and other parts of the United Kingdom, by sharing information aimed at improving understanding of stroke prevention and recognition of symptoms.

The trustees have considered the Charity Commission's guidance on public benefit and believe that the charity's objectives continue to provide public benefit.

Achievements and Performance

During the year ended 31 December 2025, the charity remained operationally inactive from a financial perspective and did not undertake any significant funded programmes.

Despite the absence of funding, the trustees continued to promote awareness of stroke and maintain engagement with supporters and stakeholders. The charity continued to build awareness within the communities where trustees and supporters are based.

The trustees remain grateful for the encouragement and support received from individuals and organisations that share the charity's vision of reducing the burden of stroke in Africa.

Fundraising and Income Generation

The charity did not raise any funds during the year ended 31 December 2025.

Fundraising initiatives were limited due to insufficient human resources available to support fundraising activities. The trustees had intended to receive donations through partnerships with commercial businesses but these initiatives did not generate any income during the year. The trustees remain appreciative of businesses and supporters who continue to support the charity's objectives.

Financial Review

Income

Total income for the year was **£Nil**.

Expenditure

The charity incurred **£Nil** expenditure during the year.

Reserves

At 31 December 2025, unrestricted funds stood at **£262.78** (2024: £262.78). The charity's only asset at year-end was its bank balance of £262.78. The charity had no liabilities, debtors, creditors or fixed assets.

Reserves Policy

The trustees seek to maintain sufficient unrestricted reserves to cover any future administration costs and to support the charity's future development activities.

Structure, Governance and Management

Africa Against Stroke is a registered charity governed by its constitution and managed by its Board of Trustees.

The trustees are responsible for the strategic direction, governance and administration of the charity and meet as required to oversee its activities and financial affairs.

Risk Management

The trustees have considered the principal risks facing the charity and are satisfied that suitable controls exist to manage those risks. Given the limited level of activity during the financial year, the trustees consider the charity's exposure to financial and operational risk to be low.

Plans for Future Periods

To expand the charity's impact, the trustees intend to:

- Increase fundraising activities through online donation campaigns, partnerships with retail outlets and community fundraising events.

- Expand educational outreach through collaboration with healthcare professionals and volunteers.
- Continue community awareness activities through workshops, seminars and public awareness campaigns.
- Develop relationships with medical practitioners to support stroke survivors and their families through rehabilitation and support initiatives.

Conclusion

Although the charity generated no income during the year, the trustees are encouraged by the continuing support and awareness generated within the community. The trustees remain committed to developing the charity's activities and furthering its charitable purposes in future years.

The trustees thank all supporters and stakeholders who continue to share and support the charity's mission.

Statement of Trustees' Responsibilities

The trustees are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of its incoming resources and application of resources for that period.

The trustees are responsible for maintaining proper accounting records, safeguarding the assets of the charity and taking reasonable steps for the prevention and detection of fraud and other irregularities.
