Saddleworth Spiritualist National Church

Trustees Annual Report

The object of the Saddleworth National Church are to advance the re3ligion and religious philosophy of Spiritualism on the seven principles of Spiritualism.

The church has continued to do this throughout the period of 2025.

The church holds weekly services presented by invited mediums with an average number of between thirty to 40 attending. These are held on a Saturday evening between the hours of 7.30 to 9.00pm. The services are held every week apart from January to February.

There also are mediumship classes held on the Wednesday of each week presented by various mediums – these similarly are not held between January to February.

The running of the church and in turn these services is reliant on volunteers.

The church in 2025 suffered a serious flood which damaged the community room which forms the ground floor of the church. At the end of 2025 work is progressing slowly to reinstating the room.
