By the preaching and proclamation of the Christian gospel in a manner compatible with the statement of faith, the teaching of the Christian doctrine and the demonstration of such faith by relieving those in need, particularly those who are vulnerable and marginalised from society by reason of age, disability, ill-health, financial hardship or other economic or social disadvantage.

The church meets at the premises of The Gloucestershire Chinese Women Guild. Other activities such as bible study and other small group activities are conducted in our homes. The church has continued to support the local Food Bank in Gloucester

D. ADMINISTRATION AND PERFORMANCE

The church governance and administration: A small group of Trustees have the overall responsibility for the oversight and governance of Global Mission for Christ Ministries. The Trustees recognise and are extremely grateful for all that happens on a day-to-day basis due to the wonderful dedication of members and volunteers connected to the church. These volunteers generously contribute innumerable hours and through sacrificial financial giving. It is because of them that the church is able to have a public benefit to the community.

The church leadership, which includes two of the Trustees, is responsible for the pastoral and spiritual oversight of the church life and for practical administration. The leaders acknowledge their responsibilities pertaining to managing risk, both financial and operational. They review and plan church activities in light of this, making informed collective decisions. Appropriate insurance policies, including public liability and employers' insurances are in place.

The church manages its financial commitments and resources and works to an annual budget as agreed by the Trustees for the year ahead. The Trustees manage the budget with prudence, ensuring that a combination of the current level of income (through giving) and the reserves held will be sufficient to meet our obligations.

Public benefit: The Trustees have complied with their duty under the Charities Act 2022 & 2011 to have due regard to the public benefit guidance published by the Charity Commission. The charity believe that Christianity and the church is good news to the society and this is evidenced much in the objectives, activities, achievements and performance highlighted in this report. Many people, directly and indirectly, have been positively impacted by the holistic approach of Global Mission for Christ Ministries to serve people of faith, other faiths or of no faith at all.
