Seaforth Highlanders Notts Branch Trustees report 2026

The band continues number to 28 members. 26 of whom are kitted out in full number 1 uniform.

We have been able to purchase further uniform so we now have a number three kit.

We have created our own dress code manual.

This financial year, we are again finalists in the Boots and Beret Awards 2026

We have performed at 14 events in Nottinghamshire, Derbyshire and Lincolnshire with great success and many compliments from the event organisers and public alike.

We already have bookings for 2027 and 2028
