Dedham Vale Society CIO
Report and Financial Statements
Year ended: 31 December 2025
Charity no: 1201027

Trustees' Report and Accounts

The Dedham Vale Society CIO was set up in 2022 with the intention of taking over the activities of the Dedham Vale Society, Charity 246007. However, due to a shortage of personnel, the transfer has yet to take effect and the activities, revenue and expenditures have continued to be carried on by the original charity.

The Trustees continue to look for resources who can manage the transition of bank account, investments and other matters to the new CIO, but have so far been unsuccessful.

An AGM was held at Nayland Village Hall, Nayland, Suffolk on 6 October 2025with 9 trustees and more than 50 members in attendance. The Trustees were re-elected, and members were updated on the current lack of activity by the CIO.

The CIO has had no income nor expenditure since its creation, so there are no accounts to present.
