Right To Resist

Overview of Financial Performance

Right to Resist is a charitable incorporated organisation (CIO) with the registered charity number 1201092. These financial statements relate to the year to 30 November 2025, being the third year of operation.
Since inception the charity has successfully received donations and claimed gift aid. It has also been successful in a number of grant applications. This has enabled the initial objective to be achieved and allowed an increase in capacity.
Thanks to our supporters and a prudent grip on our finances has enabled a step change in activities to November 2025.

Income in the period is represented by generous donations and an increase in grants totalling £24,731 compared to £19,594 in the prior year. Our costs remain very well controlled with a strategic decision to invest in capacity aligned to a defined activity. This increased our non-recurring costs and led to an operating loss of £7,274 compared to a prior year surplus of £4,937.
The activity was important for user feedback and was an enormous success offering confidence going forward.
However, as a charity we remain dependent upon generous donations and grants. Our strategic objective remains to promote our software app for free to individuals and organisations to build the user base that offers greater confidence in their personal safety.
Charity law requires Trustees to prepare financial statements for each financial year in accordance with United Kingdom accounting Standards and applicable law. In preparing these financial statements, the Trustees have selected suitable accounting policies and applied them consistently. Made judgements and estimates that are reasonable and prudent.

The financial statements have been prepared on a going concern basis.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charity's transactions and disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011. The Trustees are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees confirm that these financial statements give a true and fair view of the state of affairs of the charity and approve accordingly.
