Objectives

The objectives are set out in the CIO Association and mirror those of the existing Charitable Trust. The principal objectives are the advancement of religion and other charitable work under the direction of the Institute including, in particular the relief of poverty, the advancement of the Roman Catholic Religion, the advancement of education and the nursing of the sick and poor in England and Wales or anywhere in the world: or which are carried on by a charity having similar objects.

Dormant status

The CIO was dormant throughout the year.

Constitution

Institute of Our Lady of Mercy CIO is a registered charity, number 1201690, and is constituted under a CIO Association. The CIO Association was registered on 24th January 2023 and amended on 30 July 2024.

Statement of Trustees Responsibilities

The Trustees are responsible for preparing the Trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England & Wales requires the Trustees to prepare financial statements for each financial period which give a true and fair view of the state of affairs of the Charity and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP (FRS 102);
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards (FRS 102) have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charity will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the Charity's transactions and disclose with reasonable accuracy at any time the financial position of the Charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the CIO Association. They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The charity was entitled to exemption from audit under the Charities Act 2011 for the year ended 31 December 2025 and has not obtained an audit of its financial statements.
