Objectives and Activities

	SORP reference	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	Our charity's purpose as set out in the objects contained in the governing documents (CIO Foundation document) are: • The prevention or relief of food poverty in Market Harborough and the surrounding area by providing food parcels and other access to food to individuals and families in need.
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	Donations of food and money are made by individuals and organisations such as schools, churches and businesses. At least 3 days of non-perishable food is given to households and individuals referred by reputable organisations such as Citizen's Advice, Home-Start, Family Hub, Turning Point and local schools and churches. Vouchers are given for the fruit and vegetable and meat stall at the indoor market. Hot meal vouchers are also available for people who are homeless (on the street or in temporary accommodation).

		Food is sorted and then delivered to referral agencies and collection points. The foodbank supports people in challenging circumstances such as homelessness, low income, change in family circumstances or work, benefit delays and difficulty accessing food. Eligibility criteria is used to support referrers in their assessment of need. The trustees meet monthly to ensure that funds and donations in kind are used appropriately and for the public benefit. The trustees review the way the food bank is organised to meet the charitable objects. 2025 was our busiest year, seeing the highest number of referrals (even more than during the 2020+ pandemic). This is likely due to a combination of an increase of the cost of living and accessibility through different referral organisations. In 2025 Jubilee Foodbank provided enough food for 69,699 meals that helped 383 households in food poverty. This was the sixth consecutive year we have helped over 300 Households and provided over 50,000 meals. Demand remains high. We used donations and financial reserves, as well as volunteers' time and energy to ensure we were able to meet the demand.
Statement confirming whether the trustees have had regard to the guidance issued by the Charity Commission on public benefit	Para 1.18	Trustees consider public benefit in their decision making and meetings following the guidance issued by the Charity Commission on public benefit.

	SORP reference	
Contribution made by volunteers	Para 1.38	Jubilee Foodbank Market Harborough has a large number of volunteers (over 60 volunteers) who contribute care, time, effort and enthusiasm to support people in need of help due to food poverty. Volunteer roles include: store team, frontline volunteers who receive calls from referral agencies and create and deliver food parcels; collection team, shoppers, administration, social media team and trustees. Jubilee Foodbank Market Harborough has no employees.

Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	Jubilee Foodbank Market Harborough seeks to reach as many people as possible in Market Harborough and the surrounding area if they are in food poverty. Our main achievement is providing food for every referral given by reputable organisations in the Market Harborough area. Behind every referral is a family or individual in need of food. Apart from the circumstances already mentioned, Jubilee Foodbank Market Harborough also provided food for refugees, people who suffered domestic abuse, people who are self-employed, on zero-hour contracts, pensioners, people in ill health, and people with dietary needs. Jubilee Foodbank Market Harborough works with many organisations that support families and individuals. By providing food through these referral agencies, it helps to develop relationships and give opportunities for more support by the appropriate organisation. For example, one of the referrers is Turning Point and another Home-Start. It is hoped that by referring to us a closer link is made between the referral agency and the people they support, helping to support the organisation's work. Two people who were referred by Beacon Care were identified and supported significantly due to the request for the food parcel revealing a need for other services to support. We thank all our referrers for the additional signposting and help they give people in need. Jubilee Foodbank is conscious of the need for people in food poverty to find ways to improve their situations. Therefore, we signpost wherever we have contact with people needing food support and include information about relevant local and national organisations in food parcels. Social media and the website are also used to guide people towards relevant support. We also have a newsletter with current financial information and signposting that can support referral agencies and people who need help.

Financial Review

Review of the charity's financial position at the end of the period	Para 1.21	Jubilee Foodbank Market Harborough is in a strong financial position, total income for the year ending 31 December 2025 was £348,884 generated from donations. This includes both monetary donations and estimated values for the donation of goods (non-perishable food). The total resources expended were £378,055 and represented costs incurred to enable the food bank to carry out its operations, as well as food parcels given out in kind to those in need. Donations in kind (food donations) are estimated to be £315,282 from generous donations from the local community and organisations particularly during Harvest and Christmas but also due to charitable events and food drives during the year. Jubilee Foodbank has a wide network of supporting organisations and individuals in Market Harborough and surrounding villages. We are incredibly grateful for their support. Jubilee Foodbank Market Harborough made a deficit for the year of £29,171. However, this was possible using reserves.
Statement explaining the policy for holding reserves stating why they are held	Para 1.22	In 2026, Trustees consider it appropriate to hold unrestricted cash reserves equivalent to 12 - 18 months of operating expenditure (excluding donated goods) to provide a level of working capital that protects the continuity of the work of the Jubilee Foodbank Market Harborough. The level of reserves takes into consideration future strategy and the potential for unforeseen expenditure or unanticipated loss of income. This is reviewed annually in conjunction with the budget setting process.
Amount of reserves held	Para 1.22	As of 31 December 2025, Jubilee Foodbank Market Harborough had total unrestricted reserves of £67,088 of which £65,625 were held in cash. This represents approximately 13 months of operating expenditure excluding food donations in kind, which is in accordance with the range specified in the reserves policy. The reduction in reserves during the year was partly due to a deliberate policy of generous support for people receiving food as we had sufficient reserves to be able to do so but also due to increased demand for our help. (2025 being our highest ever year of referrals.) The Trustees have taken account of this during the budget setting process for the next financial year (ending 31 December 2027) and have considered how the additional funds can be used to further the objective of the food bank without committing to levels of expenditure which cannot be maintained in the long-term.

How is the charity constituted? (e.g unincorporated association, CIO)	Para 1.25	Jubilee Foodbank Market Harborough is a Charitable Incorporated Organisation.
Trustee selection methods including details of any constitutional provisions e.g. election to post or name of any person or body entitled to appoint one or more trustees	Para 1.25	The trustees follow the CIO Foundation Document guidance on electing trustees and voting. Role descriptions with desired and essential skills and experience are used to guide decision making. Trustees are sought by advertising in social media, our website and in Voluntary Action Leicestershire's listings. We also receive quite frequent enquiries about volunteering by email. I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended 31/12/2025.

Responsibilities and basis of report

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

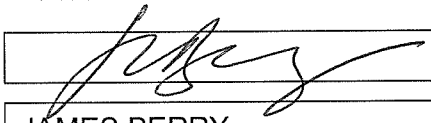

The charity's gross income exceeded £250,000 and I am qualified to undertake the examination by being a qualified member of the Institute of Chartered Accountants in England & Wales.

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Offsetting	There has been no offsetting of assets and liabilities, or income and expenses, unless required or permitted by the FRS 102 SORP or FRS 102.	✓		
Grants and donations	Grants and donations are only included in the SoFA when the general income recognition criteria are met (5.10 to 5.12 FRS102 SORP).	✓

Legacies	Legacies are included in the SOFA when receipt is probable, that is, when there has been grant of probate, the executors have established that there are sufficient assets in the estate and any conditions attached to the legacy are either within the control of the charity or have been met.			✓
Government grants	The charity has received government grants in the reporting period			✓
Tax reclaims on donations and gifts	Gift Aid receivable is included in income when there is a valid declaration from the donor. Any Gift Aid amount recovered on a donation is considered to be part of that gift and is treated as an addition to the same fund as the initial donation unless the donor or the terms of the appeal have specified otherwise.	✓		
Contractual income and performance related grants	This is only included in the SoFA once the charity has provided the related goods or services or met the performance related conditions.			✓
Donated goods	Donated goods are measured at fair value (the amount for which the asset could be exchanged) unless impractical to do so.	✓

	Gifts in kind for use by the charity are included in the SoFA as income from donations when receivable.	✓

	Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.			✓
Grants with performance conditions	Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.			✓
