Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

The advancement of health and the saving of lives by:
A) the provision of public access defibrillators (AED's) in areas of suitable utility, such as areas remote from emergency services;
B) promoting awareness of AED's and providing information and education pertaining to their safe and correct use;
C) assisting in the provision of basic life support first aid training through a professional registered trainer supplier.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

The charity's main activities focused on advancing health and saving lives through the provision of publicly accessible defibrillators in suitable locations, particularly in areas where access to emergency services may be limited. The charity also promoted awareness of the importance of defibrillators and provided information and education on their safe and correct use. In addition, the charity supported the provision of basic life support and first aid training through professional registered training providers.

The trustees continue to identify suitable locations for the installation of defibrillators and encourage public donations to support the charity's objectives.

In carrying out their duties, the trustees have had due regard to the Charity Commission's guidance on public benefit and consider that the charity's activities directly benefit the public by increasing access to life-saving equipment, raising awareness and supporting life-saving training.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.
