Trustee Annual Report

Year ending December 2025

Oakerside Community Centre

Charity number:1203532

Trustees: Terri Watson, Louise Fenwick, Andrew Langan

This charity was set up as a CIO to take over from Oakerside Park Community Association (OPCA) (702081) in the running of our local community centre.

Due to a number of factors it has not been possible to get a bank account set up for the new charity and for that reason we have continued to deliver under the OPCA charity. Accounts have been submitted for OPCA.
