Contribution made by volunteers

The Charity is run by the Trustees who are all volunteers.

In November 2025 a group of volunteers from UK visited Nepal to provide 10 days of free dental treatment to the people of Nepalganj, Dang, and Karnali districts in partnership with local community development organisations who have received grants from CHEN this financial year.

Achievements and Performance

More than 99% of money donated in the financial year ending 31/3/2026 was sent to Nepal. Less than 1% was spent in UK – and all of that was bank charges for international transfers.

Grants for projects in Nepal were balanced over different organisations and locations in Nepal.

11% of Donations went to Kathmandu area – GLOW (God Loves Widows and Orphans) for skills training for women.
11% of Donations went to the Pokhara area – CCDP (Creative Children Development Project) who provide accommodation and school fees for children who are orphaned / single parent / poor.
77% of Donations went to the Nepalganj / Dang / Karnali area – for various projects including:

- Dental camps
- Support for hospital fees for patients suffering with cancer
- Water Projects – drilling well, provision of pump and storage facilities
- Training base - contribution towards building costs of training and accomodation facilities for community development in Karnali.
- Church Buildings – contribution towards provision of steel beams and roof materials where the local community has built the foundations, walls and windows.
- School fees – contribution towards school fees to allow children from poor families to attend Sophia School in Nepalganj.
