Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)	As Trustees we confirm that we have had regard to the Charity Commission's public benefit guidance, where relevant. The Object of the CIO – as set out in its Constitution – is: "The advancement of the Christian faith by the proclamation and furtherance of the Gospel of Jesus Christ including carrying out of missionary and outreach work in the UK and overseas" We consider the above passes the "public benefit test" because advancing the Christian faith in our community and beyond has a positive impact on the moral and ethical behaviour of those with whom we come in contact. Furthermore, our Christian faith and our relationship with God – as Father, Son and Holy Spirit - gives meaning to our lives and encourages us to live in such a way as to benefit the wider society by being good citizens and following the Bible's teaching on how we should conduct ourselves in society.
