	SORP reference	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	To promote humane behaviour towards animals by providing appropriate care, protection, treatment and security for animals which are in need of care and attention by reason of sickness, maltreatment, poor circumstances or ill usage and to educate the public in matters pertaining to animal welfare in general and the prevention of cruelty and suffering among animals.
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	During the period specified Oasis finished repairing and preparing housing for animals at our sanctuary in Portugal. This enabled us to help a number of animals 'on site' during the year as well as helping animals outwith the Sanctuary (please see below).
Statement confirming whether the trustees have had regard to the guidance issued by the Charity Commission on public benefit	Para 1.18	The trustees have had regard to the guidance issued by the Charity Commission on public benefit and we feel that even though our Charity is very new we are already making steady progress towards fulfilling our aims.

Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	During the period up to 31.12.25 we had limited facilities and limited funds but we were able to do the following: We provided temporary care (and behavioural training) for a feral female cat and her four kittens. We successfully re-habilitated and re-homed the mother and two of her kittens but two kittens remained at the Sanctuary due to behavioural issues that made them unsuitable for re-homing. We re-homed one of our resident dogs with a local couple and he is doing very well in his new home. We took on the long term care of an elderly dog with arthritis, cataracts and behavioural issues which made her difficult to re-home. We continued to provide food for the local street cats. We improved the conditions of a large number of hunting dogs at a local breeder; the dogs were starving and neglected (including one that had untreated injuries from a road traffic accident). Initially we spoke with the breeder directly to try to rectify the situation and when this failed we contacted the local government vet who visited the premises – we are very please to report that the dogs are now all looking well cared for, they are all a good weight and the dog with the injuries has been treated and is doing well.

Financial Review

Review of the charity's financial position at the end of the period	Para 1.21	We feel that given the charity is very new we are in a reasonably good position financially.
Statement explaining the policy for holding reserves stating why they are held	Para 1.22	NA
Amount of reserves held	Para 1.22	zero
Reasons for holding zero reserves	Para 1.22	Our charity is very young although we did receive some donations in the period this all went on helping a number of animals hence we had no spare money to hold as a reserve. We anticipate that donations will increase over the following years as people become more aware of us and our work and then we will be able to accrue a reserve fund in future.
Details of fund materially in deficit	Para 1.24	
Explanation of any uncertainties about the charity continuing as a going concern	Para 1.23	None: we are confident that the charity will be able to grow and to meet its objectives
