CHAIRMANS REPORT

April 2024 - 5th April 2026

We are pleased to upgrade our Charity to a CIO to make sure our Trustees are all safe.

We are so pleased that we are still receiving amazing donations from so many people, especially the financial problems many people have now. I think this is due to us being a 'one off ' local Charity and they can see what we achieve with the donations. We still manage to keep it Totally Free for them all.

We have had some wonderful outings for all our Dementia Carers and their loved ones. Our yearly weekend away at Warner Hotels, was such a wonderful weekend for them all, beautiful sunshine, amazing food and great entertainment. Saturday Breakfast once a month is also a great outing for them. Wisley, Riverboat Day Out. Trip to Eastbourne. In house Birthday party's have been amazing this year, two 90's, two 65year's Wedding Anniversaries. Our very merry Christmas party was enjoyed.

We volunteers are looking forward yet again to a successful year ahead.
