Aims and Organisation

***Objects*:** The objects of Kingdom Living Ministries (KLM), set out in the Governing Document, are; "for the public benefit, the advancement of the Christian faith, in particular but not exclusively, by encouraging the education, mentoring, coaching, training and teaching of the Christian faith."

Public Benefit: In pursuing its objectives, the trustees have had regard to the guidance of the Charity Commission on the Advancement of Religion for the Public Benefit. The trustees believe that the activities of KLM, contribute to the public benefit by:

- spreading knowledge of the Christian faith to any person without discrimination;
- helping people to be better Christians; and
- training and equipping individuals, churches and organisations for mission and community service.

***Where the CIO Operates*:** The activities KLM are executed throughout the United Kingdom and online. The main activity of KLM takes place at Chase Family Church (Shirley Road, London, EN2 6SB) however KLM are regularly invited to undertake teaching and training at churches and organisations throughout the UK and online.

***How the CIO is Organised*:** Alongside the Trustees, there is a Core Team comprised of the Members - Lauren Crook, Simon Sullivan (until 6th October 2025), Celene Sullivan (until 27th October 2025), Hosanna Cartwright and Diana Awor (until 15th October 2025), who meet weekly to coordinate KLM activities. All KLM activity is carried out according to its policies, including the Safeguarding Policy, all of which are reviewed annually.

A Summary of KLM's Activities

***Courses*:** At the end of 2024 the Members made the decision to pause some of the regular courses run by KLM while uptake was low. However, the School of Prophets course continued to run online on a weekly basis for both Year One and Year Two. Our students range from 18 - 70 and we have students from all over the UK. Students were also provided with mission opportunities and ministry opportunities, giving them options to connect more and serve together alongside the KLM team and volunteers. We will look to re-start courses in 2026.

KLM London: Although we were not running our usual year-long course this year, we continued to provide bespoke prophetic ministry training on request and we delivered 12 church preaches.

KLM Online: We continue to grow our online presence through providing teaching to charities, organisations and churches. We also provided online prophetic ministry and prayer sessions for church leadership teams and for organisational teams. We participated in podcasts such as the 'Comma, Keep The Conversation Going' podcast. We also built a connection with some churches in Uganda where we were able to provide support and teaching via Zoom to their congregations - we did this by providing Sunday preaches and also running a 3-week prophetic ministry course. We also ran a weekly Early Morning Prayer on Wednesdays where anyone could join.

***School of Prophets**:* As stated above, we completed the first and second year programme via Zoom.

Connected: Connected is our alumni network which provides a place of belonging, encouragement and releasing for those no longer attending a regular court. Members are able to stay linked in with KLM whilst learning and growing together in God. We recognise how lonely it can sometimes feel if you're lacking like-minded people around you as you continue your journey of faith. Connected is an alumni programme designed to lift people up, push them onward and provide powerful community backing. It has been so encouraging to see amazing men and women of faith pioneering in their spheres of influence, cheering one another on and growing together.

Volunteer Training: We know that investing in our team is vital. As a result we hosted fortnightly training days in Enfield where we were able to run leadership training and team development. These were significant days of equipping and relationship building. We saw the fruit of this time during events like our Essex and Poland mission trip where we had a strong sense of community and there was real power in our agreement. Some of our team also received support from conferences such as the Chroma Leaders Gathering and the Global Prophetic Alliance Conference and Senior Leader's Day. We love learning from different streams and bringing it all together at KLM.

Other Activities: Throughout 2025 we had many invites throughout the UK and Europe to train and minister at events including preaching in the Isle of Man, delivering prophetic ministry appointments at LAUNCH conference and the British Christian Writers Conference, running a leader's day for New Wine and prophetic training at The Greenhouse and All Saint's in Marlow.

Essex: We have a growing presence in Essex and are preparing to start a potential KLM school in Essex in 2026. As such we have been investing in the area and the churches by undertaking prayer walks and lots of engagements. This included church preaches (The Hive, Pilgrim's Hatch Baptist Church, Pulse), outreach and evangelism training (Good Friday in Chelmsford, The River, Life Church), teaching in schools, prophetic training (Billericay Baptist Church) and encounter evenings for Transforming Essex.

Prophetic Ministry Appointments: These are where we offer hour-long appointments to guests where we prophesy and pray over them. We minister to people all over the world and have incredible feedback. This year we offered 284 appointments (taking us to a total of 985 over five years) to people from over 58 countries.

Missions: Throughout 2025 we ran two ministry trips: one to Poland and another in Essex. These trips are always a highlight of the year where we take team, volunteers and students away to serve and teach at churches, conferences and events.

Retreats and Intensives: As we weren't running our usual programmes, we hosted one intensive weekend this year for our School of Prophets which was very successful as it was the first time we had run an intensive of this kind.

Responsibiities of Trustees

The Charities Act 2022 requires the Board of Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of its incoming resources and resources expended for the period. In preparing those financial statements, the Board of Trustees should follow best practice and are required to;

- select suitable accounting policies and apply them consistently
- make judgments and estimates that are reasonable and prudent
- comply with applicable accounting standards subject to any material departures disclosed and explained in the financial statements
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that charity will continue in operation

The Board of Trustees is responsible for maintaining proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act 2022. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities and to provide reasonable assurance that:-

- all assets are safeguarded against unauthorised use or disposition and are properly applied
- proper records are maintained and financial information used within the charity or for publication is reliable

INDEPENDENT EXAMINER'S REPORT ON THE ACCOUNTS
FOR THE YEAR ENDED 31ST DECEMBER 2025

Report to the trustees/ members of Kingdom Living Ministries on the accounts for the year ended 31st December 2025.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144 of the Charities Act 2022 and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the 2022 Charities Act,
- to follow the procedures laid down in the general Directions given by the Charity Commission (under section 145(5)(b) of the Charities Act, and
- to state whether particular matters have come to my attention.

Basis of independent examiner's statement

My examination was carried out in accordance with general directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention

1. which gives me reasonable cause to believe that in, any material respect, the requirements:

- to keep accounting records in accordance with section 130 of the Charities Act; and
- to prepare accounts which accord with the accounting records and comply with the accounting requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination

have not been met; or

2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

NOTES TO THE ACCOUNTS
FOR THE YEAR ENDED 31ST DECEMBER 2025

1. ACCOUNTING POLICIES

The principal accounting policies are summarised below. The accounting policies have been applied consistently throughout the year.

Basis of preparation:
The financial statements have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant notes. The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (Charities SORP - FRS 102) 2nd addition effective 1 January 2019 and with the Charities Act 2022.

The CIO meets the definition of a public benefit entity under FRS102. Assets and liabilities are initially recognised at historical cost unless otherwise stated in the relevant accounting policy notes.

Assessment of Going Concern
Preparation of the accounts is on a going concern basis. The trustees consider that there are no material uncertainties about the CIO's ability to continue as a going concern.

Recognition of Incoming Resources
These are included in the Statement of Financial Activities (SOFA) when:
· the charity becomes entitled to the resources;
· the trustees are virtually certain they will receive the resources; and
· the monetary value can be measured with sufficient reliability.

Incoming Resources with Related expenditure

Where incoming resources have related expenditure (as with fundraising or contract income) the incoming resources and related expenditure are reported gross in the SOFA.

Grants and Donations
Grants and donations are only included in the SOFA when the charity has unconditional entitlement to the resources.

Tax Reclaims on Donations and Gifts
Incoming resources from tax reclaims are included in the SOFA at the same time as the gift to which they relate.

Contractual Income and Performance Related Grants
This is only included in the SOFA once the related goods or services has been delivered.

Gifts in Kind
Gifts in kind are accounted for at a reasonable estimate of their value to the CIO or the amount actually realised. Gifts in kind for sale or distribution are included in the accounts as gifts only when sold or distributed by the CIO. Gifts in kind for use by the CIO are included in the SOFA as income receivable.

Volunteer Help
The value of any voluntary help received is not included in the accounts and is described in the Report of the Trustees.

1. ACCOUNTING POLICIES (continued)

Donated Services and Facilities
These are only included in incoming resources (with an equivalent amount in resources expended) where the benefit to the CIO is reasonably quantifiable, measurable and material. The value placed on these resources is the estimated value to the CIO of the service or facility received.

Investment Income
This is included in the accounts when receivable.

Investment Gains and Losses
This included any gain or loss on the sale of investments and any gain or loss resulting from revaluing investments to market value at the end of the year.

Expenditure and Liabilities

Liability Recognition
Liabilities are recognised as soon as there is a legal or constructive obligation committing the CIO to pay out

Governance Costs
Includes costs of the preparation and examination of statutory accounts, the costs of the trustees meetings and cost of any legal advice to trustees on governance or constitutional matters.

Grants with Performance Conditions
provided, such grants are only recognised in the SOFA once the recipient of the grant has provided the specified service or output.

Grants Payable without Performance Conditions
These are only recognised in the accounts when a commitment has been made and there are no conditions to be met relating to a grant which remain in control of the CIO.

Investments
Investments quoted on a recognised stock exchange are valued at market value at the year end. Other investment assets are included at trustees' best estimate of market value.

Pensions
Pension contributions are charged to the Statement of Financial Activities as they become payable.

Fixed Assets
Fixed Assets are capitalised if they can be used for more than one year and cost at least £1,500. They are valued at cost or, if gifted, at the value to the charity on receipt.

Depreciation Expense
Depreciation is calculated at a rate to write off the cost of tangible fixed assets over their estimated useful lives. The rates applied are as follows:

Equipment	25%

There has been no change to the accounting polices (Variation rules and methods of accounting) since last year.

2. TANGIBLE FIXED ASSETS

The CIO held no fixed assets investments during this or the previous financial period.

13. RISK ASSESSMENT

The Trustees actively review the major risks which the CIO faces on a regular basis and believe that maintaining the free reserves stated combined with the annual review of the controls over key financial systems carried out on an annual basis will provide sufficient resources in the event of adverse conditions. The Trustees have also examined other operational and business risks which they face and confirm that they have established systems to mitigate the significant risks.

14. RESERVES POLICY

The Trustees have considered the level of reserves they wish to retain, appropriate to the CIO's needs. This is based on the CIO's size and the level of financial commitments held. The Trustees aim to ensure the CIO will be able to continue to fulfil its charitable objectives even if there is a temporary shortfall in income or unexpected expenditure. The trustees will endeavour not to set aside funds unnecessarily.

15. PUBLIC BENEFIT

The CIO acknowledges its requirement to demonstrate clearly that it must have charitable purposes or 'aims' that are for the public benefit. Details of how the CIO has achieved this are provided in the Trustees report. The Trustees confirm that they have paid due regard to the Charity Commission guidance on public benefit before deciding what activities the CIO should undertake.
