NEW LIFE CONFERENCE TRUST

TRUSTEES' REPORT

FOR THE YEAR ENDED 30 NOVEMBER 2025

The trustees present their annual report and financial statements for the year ended 30 November 2025.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the Charities Act 2011, the Trust Deed dated 22nd December 1985 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" issued 2019.

Objectives and activities

The CIO was set up in August 2023 with operational launch taking place on 1st December 2024. The CIO replaced the previous Charity known as 'The Summer Fellowship Conference Trust' receiving all those Charities assets and liabilities on launch. The objectives of the CIO are the same as the previous Charity in that a Summer Conference is organised for the advancement of the Christian faith (but without limitation) by providing a place and opportunity for worship, prayer and Christian teaching.

Tom Webster from Kingsgate Community Church in Peterborough joined us this year, he presented the Bible Studies on the Conference Theme of 'People of The Kingdom'. He was very well received and those present were greatly blessed by his ministry.

Financially, having kept our prices the same for the 4th year attendance was up from 695 to 750 delegates and having spent additional funds on hiring upgraded meeting marquee chairs and a minibus for afternoon outings we ended the period with roughly the same money in the bank.

This year's missionary offering was £4,995 an increase of 50% on 2024 and the trustees have prayerfully decided to allocate the funds as follows:
£833 to Fineke Janssen - Bolivia
£833 to Jacob & Elia Virr - Japan
£833 to Steve & Ann Street - Tanzania
£833 Armenian Ministries
£415 Christian Fellowship School -Liverpool
£415 Operation Mobilisation – Quinta Centre

The Short Term Mission Fund currently stands at £1,000 (year end balance 2025 £nil) following further income of funds and is allocated to short term missions undertaken (predominantly) by young people. Avail Mission matches the funding £ for £ when funds are allocated. Once again, we invite those interested in undertaking short term missions, whether in the UK or overseas, to apply to the trustees for an allocation of funds. A gift of £500 matched by Avail was given to Olivia White in this year.
We also were able to allocate £1,265 from the Financial Assistance fund to several delegates who had financial needs to enable them to attend Conference. The Financial Assistance fund, which is funded by direct gifts from delegates, currently stands at £2668 (year end balance 2025 £2,453).
In terms of statistics our numbers were as follows:

Total delegates: 750 compared to 695 in 2024.

Once again, conference was served by a wonderfully large group of volunteers, from those on set up, site management, first aid and stewarding, to the leaders and helpers in the various children's and youth works, to the sound and vision people and not forgetting those who ministered in the word of God and in assisting with worship. We were blessed to have had several missionaries amongst us and trust that they were uplifted in our midst even as we were encouraged and challenged to hear from them.

Achievements and performance

Significant activities and achievements against objectives

Parents, guardians and carers are always grateful for the vibrant children's & youth ministry at NLC where a full programme is provided. We received positive feedback on all aspects of the work; Jellytots (crèche), Sunbeams and Searchlights together with the Youth Tent for teenagers. Over a third of Conference attendees this year were under the age of 18 with all groups seeing a large increase in their numbers. All group leaders worked fantastically to accommodate the increase with all attendees grateful for the time and prayer put into this vital work by our band of volounteers.

We are very grateful to the volunteers who make Conference possible as well as Alistair and the team at Quinta, who make us so welcome each year and for Grace, Charles and the team at Gracious Catering as well as Andreas for his barista coffees. Christian resource bookstore 10ofthose joined us again this year with manager Andy Barnett joining us for the first time.

Outside of the meetings, the afternoon programme organised by Rebekah Morris was well-received and the annual quiz, 5K run, 5-a-side football competition and open-mic night were all a great success. The bouncy castle afternoon was also great success. All the fringe activities are now financed by Conference out of increased resources brought about by growing attendance figures.

At the end of Conference Trustee Dave Vine resigned from the Trusteeship. Dave has been involved in Conference since its very start back in the 1960's. As current Trustees we owe him so much for his wisdom and guidance in Chairing the Trusteeship with love and dedication and we will miss him more than words can say. Mark Jones from the Church Fellowship on the Wirral joined us a Trustee with the launch of the new CIO and we welcome him and look forward to many years of working together to honor The Lord.

We are busy preparing for next year's conference, which will run from 1-7 August 2026 with the title *"Mission – Everyone Everywhere"*. Steve Harrison, Director of Missions & Evangelism at Grace Church Minnesota will be joining us as well as regulars Les Wheeldon and Andrew Ollerton.

Financial review

The Trust recorded a slight decrease in fund balances at the end of the year. The decrease whilst recording an improvement in income from increased delegate attendance was due to the addition of delegate services including upgraded marquee seating hire and minibus hire for free afternoon activities

At 30th November 2025 the Trusts restricted and unrestricted funds were £27,402, comprising of £24,949 unrestricted, £2,453 unrestricted but designated for a particular use and £nil restricted.

Reserves policy

It is the policy of the charity that unrestricted funds which have not been designated for a specific use should be maintained at a level equivalent to between three and six month's expenditure. The trustees consider that reserves at this level will ensure that, in the event of a significant drop in funding, they will be able to continue the charity's current activities while consideration is given to ways in which additional funds may be raised. This level of reserves has been maintained throughout the year.

Structure, governance and management

The trustees who served during the year and up to the date of signature of the financial statements were:

Mr D J Vine	(Resigned 8 August 2025)
Mr S B Sulston	
Mr R D Higgs	
Mr M Lewis	
Mr M Jones	(Appointed 1 December 2024)
Mr P G Cowling	

Recruitment and appointment of trustees

Trustees membership is reviewed on a regular basis. Nominations for additional Trustees are made via current Trustees and discussed as agenda items at monthly Trustee meetings.

Approved nominations are interviewed to understand the nominees spiritual gifts and work life skills which may be appropriate to the vision of the Trust. Trustees take responsibility for different aspects of conference and keep themselves updated in that particular field through training, reading and liaison with other organisations in the equivalent sector.

The trustees' report was approved by the Board of Trustees.

NEW LIFE CONFERENCE TRUST

INDEPENDENT EXAMINER'S REPORT

TO THE TRUSTEES OF NEW LIFE CONFERENCE TRUST

I report to the trustees on my examination of the financial statements of New Life Conference Trust (the charity) for the year ended 30 November 2025.

Responsibilities and basis of report

As the trustees of the charity you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011.

I report in respect of my examination of the charity's financial statements carried out under section 145 of the Charities Act 2011. In carrying out my examination I have followed the directions given by the Charity Commission under section 145(5)(b) of the Charities Act 2011.

Independent examiner's statement

Your attention is drawn to the fact that the charity has prepared the financial statements in accordance with the relevant version of the Statement of Recommended Practice applicable to charities preparing their financial statements in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has now been withdrawn. I understand that this has been done in order for the financial statements to provide a true and fair view in accordance with UK Generally Accepted Accounting Practice.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1 accounting records were not kept in respect of the charity as required by section 130 of the Charities Act 2011.

2 the financial statements do not accord with those records; or

3 the financial statements do not comply with the applicable requirements concerning the form and content of financial statements set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the financial statements give a true and fair view, which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

1 Accounting policies

Charity information

New Life Conference Trust is a registered CIO with the Charities Commission (No.1204509).

1.1 Basis of preparation

The financial statements have been prepared in accordance with the charity's governing document, the Charities Act 2011, FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" and the Charities SORP "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)". The charity is a Public Benefit Entity as defined by FRS 102.

The financial statements have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a true and fair view. This departure has involved following the Statement of Recommended Practice for charities applying FRS 102 rather than the version of the Statement of Recommended Practice which is referred to in the Regulations but which has since been withdrawn.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention. The principal accounting policies adopted are set out below.

1.2 Going concern

At the time of approving the financial statements, the trustees have a reasonable expectation that the trust has adequate resources to continue in operational existence for the foreseeable future. Thus the trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives.

Restricted funds are subject to specific conditions by donors or grantors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the financial statements.

Endowment funds are subject to specific conditions by donors that the capital must be maintained by the charity.

1 Accounting policies **(Continued)**

1.4 Income

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received. Conference income is recognised in the year the conference is held.

Cash donations are recognised on receipt. Other donations are recognised once the charity has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Legacies are recognised on receipt or otherwise if the charity has been notified of an impending distribution, the amount is known, and receipt is expected. If the amount is not known, the legacy is treated as a contingent asset.

1.5 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement, and the amount of the obligation can be measured reliably.

Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges are allocated on the portion of the asset's use.

1.6 Tangible fixed assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

Depreciation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

Fixtures, fittings & equipment	4 years straight line

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is recognised in the statement of financial activities.

1.7 Impairment of fixed assets

At each reporting end date, the charity reviews the carrying amounts of its tangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

1 Accounting policies **(Continued)**

1.8 Stocks

Stock consists of merchandise goods held at the lower of cost and net realisable value.

Net realisable value is the estimated selling price less all estimated costs of completion and costs to be incurred in marketing, selling and distribution.

1.9 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

1.10 Financial instruments

The charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the charity's balance sheet when the charity becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

Basic financial liabilities

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

1 Accounting policies **(Continued)**

Derecognition of financial liabilities

Financial liabilities are derecognised when the charity's contractual obligations expire or are discharged or cancelled.

1.11 Merger

During the year the two charities, New Life Conference Trust and the Summer Fellowship Conference Trust merged. As there has been no change in controlling Trustees or charitable objectives following the merger, the charity has applied merger accounting when preparing these financial statements, as permitted by the Charities SORP. The effect of which permits the assets, liabilities and funds of the combining charities for the prior period to be presented as if they had always existed together.

2 Income from charitable activities

	Unrestricted funds 2025 £	Restricted funds 2025 £	Total 2025 £	Unrestricted funds 2024 £	Restricted funds 2024 £	Total 2024 £
