Scouts

Welcome.

Welcome
This is a special opportunity to reflect on the achievements of our Scouts over the past year, recognise the dedication of our incredible volunteers, and look ahead to the exciting adventures still to come. Thank you for being part of our Scouting family and for your continued support across Selby District. A special thank you goes to our District Trustee Board for their ongoing guidance and support. Your efforts truly make a difference, and we are incredibly grateful.
It has been a fantastic year for Scouting in the District. We were delighted to hold a successful District Cub Camp last October, followed by a District Scout Camp in April. These events provided unforgettable experiences for our young people and would not have been possible without the commitment and hard work of our volunteers.
Looking ahead, we hope to expand these opportunities by holding a District Beaver Camp and inviting Squirrels to join us for a day of fun, adventure, and new experiences.
Over the coming months, one of my key priorities is to further develop our District Development Team. By working closely with our Groups, we can provide the support they need to grow, thrive, and strengthen Scouting across our District. Together, we can continue to build a vibrant and sustainable Scouting community for all.
Here's to another year of adventure, growth, friendship, and making a positive impact in the lives of young people.

Lucy Mann

District Lead Volunteer

Welcome to Selby District Scout's Annual Report for 2025/26. Included you will find our financial statements alongside key achievements from the groups across district and our assets.

As a Trustee board we are always on the look out for new ideas to add value to our Young People's experience in Scouting and doing so safely.

I hope you enjoy reading through our report and thank you to those who have been involved.

Stephen Sedman

District Chair

Explorer Scouts

We currently have 34 young people registered, 5 regular leaders and 2 other leaders that help out.

Last year we did try to run 2 units with the leaders from Abbey, running two meetings a week, but it didn't work out.

We have awarded 124 badges, including 6 Explorer belts, 1 Young leaders belt, 1 Bonze D OF E, 1 Silver D of E and 1 Diamond Award,

We have had several explorers turn 18, but I'm glad to say that the majority of them have gone onto joining the networkers and have taken out warrants and become leaders.

Most of the explorers are also young leaders, helping out at all the different sections within scouting.

They have been a service crew at district events and also helped out at working days up at Tamarak campsite.

We also have two explorers who have been chosen to attend the world scout jamboree (s) next year. Well done Rose and Seth.

District Explorer Scout Team Leader

Olympia HQ

It's been another productive year for the Olympia site with improvement works continuing apace. The toilets have been removed, tiled and replaced making them much brighter and more inviting (no more spiders to scare the squirrels and beavers)!!

In addition the commitment to improve our energy efficiency continues with the introduction of solar and battery to the building. That has meant that since install around May we have used very little energy and sold back excess to the grid, putting our energy account in credit. As the heating is turned back on in the building, we'll see how this works over the winter months.

We have lost the rangers as a user of the building, but Abbey continue to be the primary user, with the Selby Coder Dojo and the dog trainer helping maintain a sensible working surplus to the finances. Bookings remain in place for the florist and we hope that the next year will see new fire door installation as well as other general improvement works.

Chair – Olympia Sub Committee

Tamarak Campsite

This year has seen several important developments at the campsite. We successfully hosted the first District Scout Camp in over ten years, demonstrating the site's ability to support larger events.

New facilities have been introduced, including a kitchenette in the field marquee for smaller groups and a dedicated wash station for cleaning pots, pans and cooking equipment. These improvements provide greater flexibility, convenience and hygiene for all campsite users.

The site has also expanded its activity programme with the official launch of airsoft rifle shooting as a second on-site activity, increasing its appeal to visiting groups.

Looking ahead, plans are in place to build a new kitchen in Beaver Lodge next season, further enhancing the site's facilities and capacity.

We have invested significant resource over the last few year to better our site and the facilities / activites for groups to use and enjoy. If you have not visited us recently, please give us a try!

Our Groups

1st Monk Fryston & Hillam

It has been another busy and successful year for Monk Fryston & Hillam Scout Group, with our young people enjoying a wide range of camps, adventures and opportunities across the County and beyond.

A particular highlight was our 10th Anniversary Group Camp at Camp Tamarak in July, bringing together Beavers, Cubs, Scouts, leaders, volunteers and families to celebrate a decade of Scouting in our communities. The weekend was a great success, with plenty of activities, adventure and, of course, a birthday cake! The campfire provided a fitting finale, with the Scout Troop playing a major part in making the evening such a memorable occasion.

Our Scout Troop has continued to embrace opportunities to get out and about, joining Brayton Scouts for a Christmas Camp at Scarborough and a Spring Bank Holiday expedition to Drum Hill Scout Camp in Derbyshire. The Scouts also took part in West Yorkshire County's Winter Scout Camp at Bradley Woods in February and the County Scout & Explorer Camp at Stockeld Park in September.

The Cub Pack enjoyed its own major County adventure at County CubJam at Pickering Showground over the May Day Bank Holiday weekend. These events have provided our young people with opportunities to meet Scouts from across the wider County, develop new skills and, most importantly, have fun together.

We have also celebrated some fantastic Scouting achievements, awarding 1 Gold, 3 Silver and 7 Bronze Chief Scout's Awards during the year. Two former members of the Group have gone on to achieve the King's Scout Award, with Tom and Sam being recognised for this achievement at Windsor Castle. Tom has also achieved his Explorer Belt and continues to give back to the Group as a member of our Cub leadership team.

The Group remains strong and well supported, with both our Beaver Colony and Cub Pack currently at capacity, while the Scout Troop has maintained an average membership of around 15 Scouts. A continued recruitment drive has also brought new people into the Group, strengthening our Trustee Board, Leadership Team and team of parent helpers. This growing pool of volunteers is particularly important as we look to sustain and build on the opportunities available to our young people.

We look forward to the next ten years!

1st Riccall

2025/26 has been another very busy and successful year at 1st Riccall Scouts. Over the past year our young members have earned:

- Beavers – 125 badges including 4 Bronze Chief Scout Awards
- Cubs – 171 badges including 4 Silver Chief Scout Awards
- Scouts – 143 badges including 1 Gold Chief Scout Award, which we're especially proud of as we believe it's the first one at Riccall since before the Covid pandemic!

We ended the summer term with have 16 Scouts, 19 Cubs and 15 Beavers. In September 2026 we expect to have over 20 Scouts, a huge turnaround since Covid when we had just 3.

Our year kicked off last September with our annual Walking the Footpaths event with the Parish Council. We also had the mammoth task of relocating our equipment store from the infamous "top cupboard" into a pair of sheds. It was fascinating to see what strange and unusual things a Scout Group can accumulate over the years! Also in the Autumn our Scouts attended Ignite, and had a great time despite the biblical weather. In November we helped the local community pay its respects at the Remembrance Day service at St Mary's Church.

Winter is always a bit more indoors-focussed, but our cubs and scouts still managed a couple of night walks, with the Scouts successfully navigating themselves around the village to carry out a street lighting survey, reporting any faulty lights to the Parish Council. Our Scouts also undertook First Aid training with a real-life Paramedic.

We kicked off Spring by taking part in the District Scout Camp at Tamarak, followed by the St George's Day Parade. In May the Cubs took part in CubJam, our Scouts undertook at 25km expedition along the river Ouse, and our Beavers had a sleepover at St Mary's Church.

In the Summer our Cubs had a Splashtastic day at Ellerton Lake and our Scouts returned to Tamarak for a Patrol Camp, and stayed up to watch the England match projected onto the side of a marquee! The Cubs had another great day on the water thanks to Selby Paddleboarding.

At our 2026 AGM we appointed a new Chair (Andrew Pearson) and Treasurer (Nicola Dalby). A big thanks to Richard Rowson and Sam Davies who stepped down from these roles after 3 successful years.

Group Lead Volunteer

1st Selby (Abbey)

Another year passes and we're back at the AGM, after the success of the BBQ last year, it was only right that we re-did it again this year. Our group has grown with an exciting program of activities and camps, culminating in the Group Camp and AGM this weekend. We continue to see financial pressures on all our activities but so far we have managed to keep our fees at the same rate they were set at in 2019. However, as you can see from the accounts we are posting a loss this year due to the purchase of the box trailer and kitchen tent. We carefully review each year the members fees and unless we can raise some more money through donations and sponsorship we may need to raise the fees next year. We have had several fundraising activities this year and a special Thanks needs to go to Chris Collier, one of our leaders, who undertook a sponsored walk up and down Snowden pushing a wheel barrow where he raised some £580.71, this will show up in next years finances. We are undertaking some more fund raising activities along with the BBQ after the AGM, so please bring some small change and join in. The Cubs and Scouts are also partaking in their own sponsored wheel barrow push from York to Selby, so please be generous with the sponsorship. I want to say a huge thank you to the leaders, parents and most importantly, our young people for making their and our scouting experience the best it can be! We have challenges in the number of available leaders, so appeal to your good selves to please step forward and help, especially for our Squirrel and Beaver section. We're always looking to improve what we offer to our members so please if you have any thoughts, or would like to get involved, please let us know. Here's to the next year!

Ian Vinton

Group Lead Volunteer

6th Selby (Brayton)

Brayton Scout Group continued to grow and thrive during 2025-26, delivering high-quality Scouting experiences to a record 160 young people across its Squirrel, Beaver, Cub and Scout sections, supported by 43 adult volunteers and 13 Young Leaders. Demand for Scouting remains exceptionally strong, with 52 young people on waiting lists, including around 36 children waiting for Squirrel places.

The Group's purpose is to help young people develop

their physical, intellectual, social and spiritual potential through a balanced programme of adventure, learning and community service. Activities throughout the year included weekly meetings, camps, outdoor challenges, badge work, leadership development, visits and community projects, all designed to build valuable skills for life.

Each section delivered a varied and engaging programme. Squirrels saw continued growth and strong demand, while Beavers enjoyed camps, sleepovers, outdoor adventures and community activities. Cubs participated in residential experiences, national celebrations and a broad range of badge work, achieving 11 Silver Awards. Scouts enjoyed a landmark year, including attendance at the Norjam International Jamboree, trips to London and other major activities, while four members achieved the prestigious Chief Scout's Gold Award.

The Group maintained high standards of governance, safety and compliance throughout the year, reporting no significant incidents or safeguarding concerns. Trustees strengthened safety procedures, enhanced data protection arrangements and continued progress towards the North Yorkshire Scouts Group Milestones framework. Significant operational improvements included the launch of a new website, implementation of Microsoft 365, improved equipment storage facilities and more efficient subscription collection systems.

Financially, the Group remains in a strong position. Total income of approximately £31,093 exceeded expenditure of £25,935, resulting in a surplus of £5,158 and year-end reserves of £13,576. Income was supported by membership subscriptions, Gift Aid, grants and fundraising activities.

Looking ahead, the Group will focus on expanding capacity, particularly within Squirrels, strengthening volunteer development, progressing through the County Milestones framework and celebrating its 75th anniversary in 2027. Plans are also underway for the return of a whole-Group camp in 2026, helping to further strengthen the sense of community across all sections. Through the continued dedication of its volunteers, trustees, parents and supporters, Brayton Scout Group remains well positioned to provide outstanding Scouting opportunities for local young people in the years ahead.

14th Selby (St Francis Thorpe Willoughby)

Over the past 12 months, 14th Selby – Thorpe Willoughby has enjoyed another fantastic year of adventure, learning, fun and achievement across all our sections.

Young people from across the Group have taken part in a huge range of activities, developing new skills, building confidence and creating lasting memories. From visiting airfields, learning how honey is made, exploring local history and the wonders of space, to water safety, paddleboarding, pioneering, navigation, science projects and orienteering, there has been something for everyone.

Adventure has continued to be at the heart of our programme, with District and County camps, our Group Camp, day camps, walks, train journeys and exciting challenges including Total Warrior. There has also been plenty of fun along the way, from water fights and den building to footgolf, Christmas crafts and, of course, lots of games.

The achievements of our young people have been particularly impressive, with almost 450 badges awarded across the Group, including five Chief Scout's Silver Awards. These achievements reflect the time, effort and dedication our young people have put into their Scouting journey.

None of this would be possible without the fantastic commitment of our volunteer leaders and helpers, and the continued support of parents and carers. Together, we look forward to another exciting year of adventure, challenge and opportunity.

– The District is a trust established under its rules which are common to all Scouts.

– The Trustees are appointed in accordance with the Policy, Organisation and Rules of The Scout Association.

– The District is managed by the Board of Trustees, (the executive committee), the members of which are the 'Charity Trustees' of the Scout District which is an educational charity. As charity trustees they are responsible for complying with legislation applicable to charities. This includes the registration, keeping proper accounts and making returns to the Charity Commission as appropriate.

Risk & internal control

The trustees discuss the risks and opportunities of all proposed activity on an ongoing basis. It is a priority of the trustee board to review, and create systems to mitigate, risks over the coming year. Known areas of concern that have been identified are:

– Reduced income from fund raising. The District is primarily reliant upon income from members in constituent Groups and Units. The District holds a balance of funds to ensure the continuity of activities should there be a major reduction in income. The District continue to look to external organisations to help fund large scale projects.

– The District owns Olympia HQ and the lease to Tamarak Campsite. Like all assets, they requrire ongoing investment and upkeep. Both assets would benefit from long term development plans to ensure the charity maximises their potential.

– The District has in place systems of internal controls that are designed to provide reasonable assurance against material mismanagement or loss, these include 2 signatories for all payments and comprehensive insurance policies to ensure that insurable risks are covered.
