SUPPORTING LIFE'S JOURNEY

30/03/2025 - 29/03/2026

TRUSTEES' ANNUAL REPORT

Charity number: 1205208

1. Reference and Administrative Details

- Charity name: Community Chaplaincy Centre (Wednesfield)
- Registered charity number: 1205208
- Address: 49 Bolton Road Wolverhampton WV11 1UB
- Trustees during the year: 2

2. Structure, Governance and Management

Community Chaplaincy Centre is governed by a board of trustees under a constitution. Trustees are responsible for directing the affairs of the charity and ensuring it is run in accordance with its charitable objectives.

3. Objectives and Activities

The charity's object is to support ex-offenders, their families, and those at risk of offending by providing chaplaincy, mentoring, and community reintegration support. Activities during the period included:

- Offering chaplaincy and pastoral support.
- Hosting community support sessions.
- Building partnerships with local agencies.

4. Activity Update

During the last reporting period, the Community Chaplaincy Centre (Wednesfield) was unable to undertake its intended activities owing to a number of factors, principally funding and staffing constraints. Nevertheless, the Centre received two referrals of ex-offenders released into the Wolverhampton community and provided them with minimal support. The Centre also successfully completed a supervisory placement on behalf of Birmingham Newman University, hosting one of its chaplaincy students for Supervised Reflective Practice.

Looking ahead, a number of steps are being taken to revive the project within the Wolverhampton area. The Centre is actively seeking partnerships with local organisations, including the City of Wolverhampton Council, Wolverhampton Voluntary & Community Action (WVCA) and others. Its founding principle remains unchanged: to secure future growth and to continue delivering chaplaincy and support to the community.

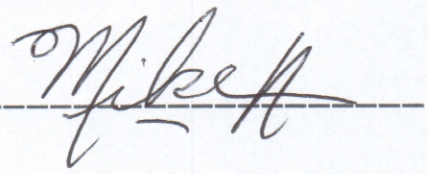

5. Financial Review

During the period the charity received no income and relied entirely on the goodwill of its host church, Wednesfield Community Church, which provided the use of its premises free of charge.

As a result, the Centre has no closing balance to report. It has resolved to explore fundraising avenues and to develop an income-generation strategy in order to sustain its future activities and ensure the continued delivery of the charity's objectives.
