Chairs Statement

As Founder and Chair of Feline Fine Foundation, I am proud to reflect on another year of supporting cats and their owners through some of the most difficult periods of their lives. Our charity was established on the belief that no one facing crisis should have to lose a beloved pet because of circumstances beyond their control. Through emergency fostering, practical support and compassionate guidance, we continue to keep families together and provide hope when it is needed most.

The challenges facing many of the people we support have become increasingly complex. The ongoing cost of living pressures, housing instability, poor mental and physical health, domestic abuse, homelessness and financial hardship continue to push vulnerable individuals and families into crisis. For many, the prospect of losing a cherished companion animal can add further distress to an already overwhelming situation. Our work remains focused on easing that burden while ensuring cats receive the care, safety and stability they deserve.

Although we are still a small charity, we have developed a strong foundation and have seen growing demand for our services. This increasing need demonstrates both the importance of our mission and the significant gap that exists in support for people whose pets are at risk during times of crisis. Our volunteers, foster carers, trustees and supporters continue to make an extraordinary contribution, and I extend my sincere thanks to every individual who has helped us deliver our work throughout the year.

Looking ahead, our priority is sustainable growth. Over the coming years, we will focus on expanding our capacity so that we can help more cats and more vulnerable people across the communities we serve. To achieve this, we are actively exploring opportunities to diversify our income streams, strengthen fundraising activity, build new partnerships and increase awareness of our work. By creating a more resilient financial base, we will be better positioned to respond to rising demand and ensure our services remain available to those who need them most.

While there are challenges ahead, I remain optimistic about the future of Feline Fine Foundation. With the continued support of our donors, volunteers, foster carers and partners, we are well placed to grow our impact while staying true to our core purpose: keeping hope alive, keeping families together and ensuring that cats and their owners receive the support they need during life's most difficult moments

CHARITY COMMISSION
FOR ENGLAND AND WALES

Trustees' Annual Report for the period

From 26th October 2024 to 31st December 2025

Charity name: Feline Fine Foundation

Charity registration number: 1205451

A. Objectives and Activities

The objects of the charity as set out in its governing document

1. For the benefit of the public to relieve the suffering of cats in need of care and attention and, in particular, to provide and maintain rescue facilities for the reception, care and treatment of such animals and to educate the public in matters pertaining to cat welfare in general and the prevention of cruelty and suffering among cats.

2. The relief of financial hardship among cat owners living or working in Bristol, Bath and Somerset who are in financial hardship by providing such persons with goods/services necessitated by cat ownership which they could not otherwise afford through lack of means.

3. The relief of need of cat owners living or working in Bristol, Bath and Somerset who are unable to care for their cat due to their homelessness or threat of homelessness or rehousing due to ill health, disability of old age in such ways as may be thought fit, including assistance to find care for their cats.

Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.

1. For the benefit of the public to relieve the suffering of cats in need of care and attention and, in particular, to provide and maintain rescue facilities for the reception, care and treatment of such animals and to educate the public in matters pertaining to cat welfare in general and the prevention of cruelty and suffering among cats.

   We handle up to 30 phone calls and emails, and up to 50 Facebook messages every week seeking our advice on such topics as:-

   - **Rehoming – we signpost to rehoming charities**
   - **Out of area – we signpost to charities close to owners location • Stray cats - we loan cat traps and give advice on next steps**

   We work with local cat rescue centres, such as Little Paws, Bristol & Wales Cat Rescue and Bridge Animal Rescue, they signpost to us when owners contact them for help and it is deemed that fostering would be a more beneficial solution, resulting in reduced rehoming need.

2. The relief of financial hardship among cat owners living or working in Bristol, Bath and Somerset who are in financial hardship by providing such persons with goods/services necessitated by cat ownership which they could not otherwise afford through lack of means.

Docusign Envelope ID: 7D692A5D-0013-88C7-81E0-6C7FF57C5970

We signpost owners to Cats Protection and RSPCA voucher schemes, when available, for treatment of stay cats or neutering. We will also promote any offers from vet surgeries that would be beneficial to owners and cat welfare e.g. reduced price neutering of black cats

Yr2 has been a challenging one for the charity, set against a backdrop of significant operational growth and expansion. As the organisation scaled its activities, the trustees encountered a period of challenging strategic decisions and priorities which required additional trustee time and attention to address and resolve.

As a result of these challenges, we are still in the process of establishing the full maturity of the charity and have had to focus elsewhere this year, however we can confirm a cat foodbank is still firmly in our pipeline. In the meantime, we provide food for cats returning to their owners after foster if needed, and if contacted and assessed to be appropriate we will provide veterinary prescribed food.

3. The relief of need of cat owners living or working in Bristol, Bath and Somerset who are unable to care for their cat due to their homelessness or threat of homelessness or rehousing due to ill health, disability of old age in such ways as may be thought fit, including assistance to find care for their cats.

In our second year we supported over 320 cats and owners in crisis with our 135 active fosters. Where necessary and sometimes without going through the foster process we will rehome cats, in 2025 we rehomed 175 cats who were unable to return to their original owner.

Once a fostered cat has been in our care for 6 months they will be assessed on a case-by-case basis in consultation with the owner and either the foster will be extended, or the cat rehomed after discussions with the owner.

Statement confirming whether the trustees have had regard to the guidance issued by the Charity Commission on public benefit

As trustees we confirm that we have had regard to the guidance issued by the Charity Commission on public benefit when making decisions and planning our activities. We have reviewed the guidance and ensure that our charity's objectives, operations, and activities align with the public benefit requirements set out by the Commission. We are committed to ensuring that our charity's work serves the public good and meets the legal requirements for public benefit.

B. Achievements and Performance

Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.

Through various mediums we are providing help and advice to our local community on rehoming, alternative sources of help, stray cats and reduced cost treatment. We have helped owners keep their beloved cats when facing difficult circumstances, reducing rehoming and have responsibly rehomed to support the cats welfare where necessary

Key numbers

- **320 owners and cats supported this year**
- **175 cats successfully rehomed**
- **135 active fosters opening their homes and hearts**

In addition to our fosters we have 54 brilliantly passionate volunteers, helping with everything from transport to cuddles.

Key moments

- **Being nominated for, and celebrating our achievements at the BBC Make a Difference Awards**
- **Braving the Firewalk, raising over £10,000 to support our work**
- **Overcoming the challenges of re-locating the Charity's working space**
- **Increasing fundraising and donations to cope with rising vet costs**

Many of the owners who turned to us were in crisis, with the top reasons being: homelessness (nearly half of all cases!), hospitalisation or ill health, domestic abuse, mental health struggles, and house fires. We're proud to provide vital support to help owners navigate the housing crisis and keep their cats safe. Who benefits

Cat owners in crisis
The charity exists to help cat owners when they need it the most, so no one must face a life crisis at the same time as giving up their beloved cat. The charity provides non-judgemental advice, support and emergency foster homes to reunite cats and owners once things are resolved. Because cats can play a huge role in an owner's mental health and wellbeing, the promise of being reunited with their pet can be crucial to someone's recovery

Adopters / foster carers
The model runs on a network of foster homes offering a safe, secure environment with all the comforts of home, on a temporary basis. Fosterers get a flexible, time-limited way to help without permanent commitment, and owners get reassurance their cat is somewhere comfortable and not in kennels.

Other rescues and rehoming centres
For pet rescues, the foster model helps prevent cats from being given up for rehoming in the first place - critical during the cost-of-living crisis when rescue charities are already under increased pressure

Local communities
Covering Bristol, Bath, Somerset and South Gloucestershire, the charity plugs a specific regional gap - a fostering service that most rehoming centres simply can't offer due to pressure on funds and resources. This reduces knockon pressure on local homelessness services, refuges, and hospitals, who can point people to FFF rather than facing pet-related barriers to seeking help. By offering this alternative, we also aim to reduce the number of cats left to stray in desperate situations.

Cats themselves
Cats avoid the stress of full rehoming/kennelling and stay with a foster family in home conditions, while retaining the chance to be reunited with their original owner once things are resolved, rather than being permanently rehomed away from a bonded owner who wanted to keep them

C. Financial Review

Review of the charity's financial position at the end of the period

This was our second year as a registered charity.

We started the year with a financial balance of £4,035

Fundraising activities such as a Christmas auction, a clothes swap evening and Christmas cat boxes raised £2,391

Private individual donations brought in £49,480

Rehoming fees raised £17,315

Reclaiming gift aid brought in £4,115

Other income £1,803

Income totalled £75,105

Spending for the direct purposes of the charity (Veterinary care, medication and foster home supplies) totalled £63,627

Operational and administrative expenditure (insurance, IT, phone etc.) came to £2,949

Expenditure totalled £66,576

This left us with a surplus of £12,563.68 unrestricted funds

Note

During the year, the treasurer identified and corrected an omission relating to a trustee's waived expenses from the charity's first year of operation - see note 3

Statement explaining the policy for holding reserves stating why they are held

The trustees' policy is to hold free reserves equivalent to six months' operational expenditure (approximately £28,500 based on the current period's run-rate) to ensure continuity of care across our foster network. At 31 December 2025, free reserves stood at £12,564, providing approximately 2.5 months of operational cover. The trustees recognise that rapid operational growth has outpaced reserve accumulation and are actively implementing a fundraising strategy to build reserves towards the six-month benchmark over the next financial period

Details of fund materially in deficit - None

Explanation of any uncertainties about the charity continuing as a going concern - None

Charity law requires the trustees to prepare financial statements for each financial year which give a summary of the receipts and payments of the charity for that period, and of its assets and liabilities at the end of the period.

In preparing these financial statements on a Receipts and Payments basis pursuant to Section 133 of the Charities Act 2011, the trustees are required to:

- Select suitable accounting conventions and apply them consistently;
- State whether the accounts have been prepared in accordance with applicable regulations and guidance issued by the Charity Commission; and

Independent Examiner's Report

PERIOD ENDED 31 DECEMBER 2025

Responsibilities and basis of report

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Charity's accounts carried out under section 145 of the 2011 Act. In carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent Examiner's Statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which gives me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Charity as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
