Financial Review

Review of the charity's financial position at the end of the period	Para 1.21	UKAF Cycling is operating to the endorsed financial plan and is operating at a small rate of accrual. At the close of the period the charity had a balance of £19,884.79.
Statement explaining the policy for holding reserves stating why they are held	Para 1.22	UKAF Cycling Policy CIO-002 applies. UKAF Cycling income is generated by sponsorship or grants from within the UK Armed Forces Sports Board and no other. The greatest risk to income is a change in status of the relationship with a sponsor who may have to reduce the amount of funding provided as part of the agreement, or a cancellation of the agreement resulting in no future income. This is the main driver for the determination of a reserve level for UKAF Cycling. Based on current forecasting, UKAF Cycling has set a minimum reserve level of £6000 (six thousand pounds Sterling) to cover a complete loss of income from the loss of a sponsor (the worst-case scenario). This level will be reviewed on an annual basis and submitted as part of the annual return.
