Objectives and Activities

	SORP reference	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	The relief of poverty within the area of Kandigoan and Debpara village, Bangladesh by providing grants of money, items and services to individuals and families in need to relieve poverty
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	**Charitable Activities Report: January 2025 – January 2026** Between January 2025 and January 2026, KADVIA continued its charitable work in Bangladesh, providing support to individuals, families and communities experiencing financial hardship. Our activities focused on addressing immediate needs, particularly access to food, medical treatment and essential financial assistance. **Food and religious festival support** During Ramadan and Eid, charitable funds were allocated towards the distribution of food parcels and financial support for people in need. Further food distributions were funded in connection with Qurbani and Eid al-Adha, helping families access food during an important religious period. Due to a sharp raise in the cost of goods KADVIA was not able to provide the same number of parcels as last year. Roughly 50 parcels were provided each with increased funding. So a smaller number in total with larger amounts of goods. **Healthcare and emergency assistance** KADVIA provided financial support towards a range of medical needs, including major operations, heart surgery, cancer-related care, childbirth complications and other urgent healthcare expenses. Assistance was also recorded for individuals requiring

		medication and end-of-life care (one patient who had a terminal cancer and required end of life care e.g., pain relief). **Family and financial hardship support** Financial grants helped families manage significant expenses, including wedding-related costs and other exceptional financial pressures. **Community development** Alongside direct financial assistance, KADVIA supported a water-well project and contributed towards maintaining facilities at Kandigoan Masjid, which provides space for community activities and children's religious education. KADVIA's work during the year reflects its continuing commitment to supporting vulnerable people through practical assistance, medical relief and community-focused charitable initiatives.
Statement confirming whether the trustees have had regard to the guidance issued by the Charity Commission on public benefit	Para 1.18	The Trustees confirm that they have had regard to the Charity Commission's public benefit guidance where relevant. The charity trustees are unpaid with all donations received going towards the public benefit objective as defined in the charity's constitution.
