Annual Report 2025

Trustees

The South Tyneside Gospel Trust (STGT) had 4 Trustees at the end of 2025:

- Marjorie Hughes
- Ian Somasundram
- Paul Stokes
- Leo Tsui

These Trustees are responsible for managing the Trust. The trustees remained unchanged during the year. Trustees are recruited primarily from congregation members of local Anglican churches in South Tyneside, and must be able to sign up the Church of England Evangelical Council's basis of faith.

Objects and Activities of the Trust

The objects of the CIO are for the public benefit to advance the evangelical Christian faith, as expressed by the Church of England Evangelical Council basis of faith, and may include the provision of grants or other funding to, and making available property for use by, churches and other Christian charities or groups in South Tyneside and the surrounding areas.

The Trustees decided not to meet during the year as there was no ensuing business to attend to.

During 2025 no funds were received by the Trust for the above purposes and no grant applications were made to STGT to further the objects of the Trust. This is because the anticipated need for the Trust has not yet sufficiently materialised as at present evangelical Christian churches within the Anglican tradition located within South Tyneside have been able to raise sufficient funds through ordinary means as theological changes within the Church of England are taking longer to materialise. However, should this situation change (and it may change rapidly), the Trust exists to provide a way for individual Christians to donate to Christian work according to their conscience.

As such, the STGT had no funds at the end of 2025, no debts and no funds held as a custodian Trustee.
