Objectives and Activities

	SORP reference	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	The charity aims to advance the religion of Islam by supporting Islamic education and related facilities in accordance with the Qur'an and the teachings of Prophet Muhammad (peace be upon him). It also seeks to relieve financial hardship by providing grants, food, water, and essential items to those in need. In addition, the charity promotes education for the public benefit through various educational activities and facilities, including supplementary schooling. Furthermore, it aims to support and empower young people by offering recreational, educational, and developmental opportunities that enhance their skills, confidence, and ability to contribute positively to society.
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	2025 was the charity's first year of activity. Operations were small in scale and were funded entirely by general donations of £4,371. In line with its objects, the trustees spent £2,953 directly on charitable activities, which included: • Relief of financial hardship – providing food, water and other essential items to individuals and families in need. • Advancement of religion and education – supporting Islamic education and supplementary learning activities, including the provision of learning materials. • Young people – small-scale educational and developmental activities for young people. All activities were organised and delivered by the trustees and volunteers. The trustees intend to build on this work and expand the charity's activities as funding allows.
Statement confirming whether the trustees have had regard to the guidance issued by the Charity Commission on public benefit	Para 1.18	The trustees confirm that they have complied with the duty in section 17 of the Charities Act 2011 to have due regard to the public benefit guidance published by the Charity Commission, and that the activities described above were carried out for the public benefit.

Achievements and Performance

	SORP reference	

Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	2025 was the charity's first year of active operations. Despite its modest resources, the charity provided practical help to people facing financial hardship and supported Islamic and supplementary education, in line with its objects. The trustees consider that the year established the charity's operating base and its approach to fundraising, and showed the need for its work among its beneficiaries. The charity aims to increase its income and the scale of its activities in the coming year.
