Most young people have heard about the club through our outreach work in the local area. In addition, we have continued to promote the club to the best of our ability, including: • Ongoing promotion through social media

	• Promoting the club to Honley High School staff and students, including continuing to offer an assembly • Attending Ask Honley meetings to promote the provision and seek advice on promotion within the village • Distributing flyers at local events such as the Honley Christmas Market and the Holme Valley Parish Council Celebration Event Although attendance numbers have sometimes been low, this has provided staff with valuable opportunities to build strong relationships with young people and gain a better understanding of the activities and opportunities they would like to see in Honley.
