NORTH HIGHBURY
ALLOTMENT ASSOCIATION

INITIALS 02

NORTH HIGHBURY ALLOTMENT ASSOCIATION

Registered Charity number 1206788.

Growing for 109 years : 1917 - 2026

ANNUAL REPORT AND STATEMENT OF ACCOUNTS : 2025

ANNUAL REPORT

The purpose of our charity is to provide leisure gardening opportunities to benefit health and social welfare by growing crops and tending an environmentally unique 3-acre site in the middle of a northern city conurbation. Our land forms part of the 13th century Town Moor of Newcastle upon Tyne and we are indebted to the Freemen of Newcastle upon Tyne for their granting of a lease for over 109 years. We welcome anyone residing in the area to enjoy open-air exercise and friendship through not only crop-growing but also related environmental activities such as beekeeping and nature conservancy.

The accounting statement indicates a “normal” year for the Association unlike 2024 which featured considerable damage and a consequent claim due to a burst major water main.

Our membership levels remain satisfactory, but we are always interested in hearing from those who cherish getting their hands dirty by battling the horticultural elements.

STATEMENT OF ACCOUNTS : 1st JANUARY to 31st DECEMBER 2025

	2025	*2024*
