The trustees have had regard to the Charity Commission's guidance on public benefit and confirm that the charity's activities during the year were carried out for the public benefit.

3. Achievements and performance

During the year, the charity continued to respond to increasing levels of need within the local community and achieved the following:

- **The Glad2Share Pantry** remained open and continued to support families experiencing food poverty. Through this service, up to **100 families** were

able to access affordable food, helping to reduce financial pressure and increase food security.
- The Community Kitchen continues to provide opportunities for parents and children to cook together, supporting families to build confidence, develop practical cooking skills and improve food literacy, while strengthening family relationships and promoting healthy eating.

- During the year, the charity **began links with the Greggs Foundation and FareShare** , supporting the sustainability of food provision activities and strengthening partnerships with external organisations. These links have helped raise the charity's profile and will support future opportunities for collaboration and funding.
