- policies and procedures adopted for the induction and training of trustees;
- the charity's organisational structure and any wider network with which the charity works;
- relationship with any related parties;
- trustees' consideration of major risks and the system and procedures to manage them.

The charity's mission is to raise a meaningful endowment fund to enable it to support its charitable purposes in the long term.

One of the charity's trustees (Michael D'Aprix) is also a trustee of a connected charity, the UL Ice Hockey Trust (see section B, below).

During the period, the trustees considered a Conflicts of Interest Policy and a Fundraising and Donations Policy as part of their strategy to continue to raise funds among the Club and London ice hockey communities to constitute an endowment to support the charity's purposes.

Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

The charity has a primary purpose to advance education, including physical education, the amateur sport of ice hockey for the general public by supporting the university and alumni ice hockey club known as the London Dragons Ice Hockey Club, which is operated by the UL Ice Hockey Trust (charity number 1209675).

In addition to and to the extent that the charity's assets are not required for its primary purpose described above, the charity has a secondary purpose to advance the amateur sport of ice hockey in the United Kingdom.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

The trustees have had regard to guidance issued by the Charity Commission on public benefit. The charity's strategy is to build up a meaningful endowment to enable its purposes to be advanced sustainably in the long-term. No public benefit was delivered in the period because the endowment is not yet at a level to permit distributions from the fund. During the period, the charity started building up its endowment, and continued to focus on being governance-ready for an endowment fundraising drive, so that the charity is able to deliver public benefit in future.

In the period, the trustees received regular reports on the activities of UL Ice Hockey Trust, supporting the educational and amateur sports activities of which is the charity's primary purpose.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

The trustees have considered a Conflicts of Interest Policy to manage conflicts arising from trustees' connections with UL Ice Hockey Trust, and a Fundraising and Donations Policy to guide their endowment fundraising efforts. An Endowment and Fundraising Strategy is under consideration and, in due course, the trustees will adopt an investment policy to guide decision-making around investing the endowment, which will need to align with a grant-making policy to guide how decisions about grants are taken, once sufficient funding has been raised to enable grants to be made.
