ELITE KINGDOM BUILDER'S

TRUSTEES' ANNUAL REPORT AND ACCOUNTS

20.01.2025 - 31.12.2025

The Elite Kingdom Builders (EKB) were involved in various activities in the year 2025 in building and equipping women who faced challenges they've encountered in their communities and believe in themselves. The Elite Kingdom Builders' mission is to raise women in leadership.

1. In the year 2025, Elite Kingdom Builders organized monthly activities named "LADY TALK" activities, which gathered women from within the UK, France, Belgium, Austria, the Republic Democratic of the Congo, Congo Brazzaville, and South Africa, via the online Zoom meeting to discuss various subjects that women face in society, community, workplace, home, and marriage.

Activities:

a. EKB had the privilege of inviting different speakers to cover various topics, which to equip women with information related to their specialties.
b. Sessions of open debate were provided to encourage women to get involved in discussions
c. Sessions of Q&A
d. Recommendations

2. Elites Kingdom Builders organized two women meetings:

- London (United Kingdom)
- Milton-Keynes (Neurodivergence)
- Linz (Austria)

Activities 1:

a. Sickle cell disease: The session was covered by Mrs Menguie Capela, a health professional, that the EKB invited to train and equip women with the knowledge of based on her professional and experience.
b. Educational: The session was covered by Joanna Mafuata, a qualified secondary school teacher in the UK, who talked on the subject of the educational system within the UK and Europe, to raise the awareness of women and mothers who do not possess information, especially within the BAME communities, on how to orientate their children on choosing subjects when reaching the GCSE, College, or Higher Education level.

c. Mental Health session: This was covered by Nurse Rachel Lubikamba and Pastor Destiny – Monique, which both shared about the cause of what kills women silently, i.e., Menopause, brain fogs, and who to contact.

3. Elite Kingdom Builders organized a Sports Day in the summer of 2025, in August, where it gathered women with their children for sports activities in Campbell Park, Central Milton Keynes. Ferdinand Tambwe Amani was invited to do the risk assessment to ensure that the environment was suitable and for safeguarding purposes.

Activities 2:

a. Race – relay
b. Sack – jumping
c. Football – All age groups
d. Women jumping activities
e. Table - Tennis
f. Dance
g. And sharing food

Funds:

All activities were funded by Monique Akulay and the women's personnel contributions. They received no funding from the donors or funders during the 2024 to 2025 financial year.

- Funds: £1555

Expenditure:

- Gand city cost: £1357

Balance: £198
