Ball Tampering Allowed Trust

Report of the Trustees
for the Year Ended 31 December 2025

The trustees present their report with the financial statements of the charity for the year ended 31 December 2025. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

Trustee Report 2025

Ball Tampering Allowed Trust – Lads & Dads Vs Cancer

Prepared By Simon Burrows BSc(Hons) ACA – Chair of Trustees
Founder Paul Ferriday
Honorary President – Michael Atherton OBE. Broadcaster, Journalist and Former England Cricket Captain.

Background
Following a lifesaving operation in March 2021 to remove a six-ounce aggressive metastasis secondary cancer tumour, the founder felt compelled to try to do more to support worthwhile cancer causes and try to positively change the stereotype associated with men's attitudes towards life threatening cancer symptoms.

His personal cancer started back in 2008, when unexpectedly he was diagnosed with advanced testicular cancer necessitating the removal of his testicles, and subsequently in 2019, the removal of several lymph nodes.

The objective of the trust is to raise awareness and ambitiously attempt to destigmatize the outdated male attitude towards serious illness and earlier prevention. In addition, to raise funds to support local Northwest community serving hospice facilities, with an emphasis on improving palliative care facilities for the benefit of the patient, their family and loved ones.

Purpose
Charitable objects
The objects of the CIO are: the relief of sickness and the preservation and protection of good physical and mental health of men with or at risk of testicular cancer and their families in the United Kingdom, in particular but not exclusively through the provision of patient education, advice information and support services and the funding of research into testicular cancer, its causes and treatment, the useful results of which will be published for the public benefit.

Mission:
To reduce male cancer fatality rates, destigmatize outdated male attitudes towards cancer, specifically encourage regular self and professional medical examinations. Promote physical and mental health awareness for men at risk of testicular and prostate cancer in the UK.

Activities:
Education, Raise Awareness and Raise Essential Funds for the purpose of donations. Provide employee wellbeing talks, male sports club's talks, promotional advertising and raise funds to donate to northwest community-based cancer care facilities.

Legal Structure
Type: Charitable Incorporated Organisation (CIO)
Model: Foundation Model · only charity trustees are voting members.
Date of Constitution: 1st March 2024
Location: England
Registered Charity No 1207377

Trustee Governance
Minimum Trustees: 3 plus direction and input from founder Paul Ferriday. Founder is considered as Key Management Personnel of the charity.

A business plan with associated budget is prepared by the Founder and Chair of Trustees, reviewed and authorized by the Trustees Board.

Ball Tampering Allowed Trust

Report of the Trustees
for the Year Ended 31 December 2025

Maximum Trustees: 12

All trustees must operate in the best interests of the charity with an understanding of the mission and their individual and collective fiduciary responsibilities. Trustees are nominated by the founder, and/or any serving trustee for future consideration based on experience and specific expertise, that can assist the Trust to achieve its mission and objectives. As a minimum all trustees accept the following core responsibilities:

Trustees' Financial Duties - Trustees must prepare accurate annual reports and financial statements to ensure transparency.

Asset Safeguarding - Trustees are responsible for protecting the charity's assets from misuse or loss.

Regulatory Compliance - Trustees ensure the charity's accounts comply with relevant laws and financial regulations.

Accountability and Integrity - This statement emphasizes trustees' accountability for maintaining financial integrity in reporting

Trustees:
Simon Burrows – Chair ACA- over 40 years of business experience
Michael Burton – Business Owner and President of Morley Rugby Union
Dexter Fitton – resigned 4 November 2025
David Hartley – Business Owner and Managing Director MTX Contracts Ltd
Jane Ferriday – Wife of Founder and former senior business manager at both ITV & BBC .
Andrew Sleigh – FCA - Experienced Executive in Private and Third Sector Organisations - appointed 4 November 2025

Initial Term: 3 years

Trustee Responsibilities & Duties:
- Act in good faith to further the CIO·s purposes.
- Exercise reasonable care and skill.
- Declare conflicts of interest and abstain from related decisions.
- Commit to leverage personal and professional contacts to assist the development and success of the trust.

Financial Management
Income Use: Solely for charitable purposes.
No Profit Distribution: No dividends or bonuses to members.
Accounts prepared and reviewed by professional appointed independent examiner – Wright Vigar

Decision-Making
Trustee Meetings Initially 6-month Intervals, potentially updated to Quarterly in line with Trust growth and development:
- Quorum: 3 or half of trustees
- Majority vote; chair has casting vote
- Can be held electronically
- Written Resolutions: Allowed if agreed by majority

All decision making and intent is made in accordance with and understanding of the responsibilities associated with being a registered charity trust, respecting and following the guidelines associated with being a member of the Charity Commission.

Reserves Policy
The trustees have established a reserves policy to ensure the long-term financial stability of the charity and to protect its activities in the event of unforeseen financial difficulties.
The charity aims to maintain unrestricted reserves at a level which is sufficient to:
- Meet ongoing operational costs in the event of a shortfall in income
- Provide working capital for core activities
- Allow for strategic investment in development or infrastructure

The target level of reserves is set at £20,000 This level is reviewed annually in light of the charity's financial position, future plans, and risk profile.

During the year, the charity reported a surplus of funds, which has been intentionally retained to support the costs associated with a planned black-tie fundraising event scheduled for November 2026. The Trustees consider this event to be an important part of the charity's future fundraising strategy and have therefore built-up reserves to ensure that the associated venue, catering, entertainment, and event management costs can be met without impacting the charity's ongoing activities and charitable objectives. The accumulated funds will be utilised in the forthcoming financial period to deliver the event and maximise its fundraising potential.

As at the year-end, the charity held unrestricted reserves of £64,194, which the trustees consider to be above the target level. The trustees will continue to monitor reserves and adjust the policy as necessary to reflect changing circumstances.

Public Benefit Statement
The trustees confirm that they have complied with their duty under section 17 of the Charities Act 2011 to have due regard to the Charity Commission's guidance on public benefit. In planning and delivering the charity's activities, the trustees have ensured that the charity's aims are carried out for the public benefit and that its services are accessible, inclusive, and aligned with its charitable objectives. The trustees regularly review the charity's impact to ensure that it continues to meet the needs of its beneficiaries and delivers meaningful outcomes in line with its mission.

In line with the Ball Tampering Allowed Trust Mission Statement:
Our aim is to reduce male cancer fatality rates, destigmatize outdated male attitudes towards cancer, specifically encourage regular self and professional medical examinations. Promote physical and mental health awareness for men at risk of testicular and prostate cancer in the UK.

Furthermore, provide education, increase awareness and raise essential funds for the purpose of donations. Provide employee wellbeing talks, male sports club's educational talks, promotional advertising and raise funds to donate to northwest community-based cancer care facilities.

Objectives and Achievements

During the year, the Trustees established the following key objectives:

1. To continue raising funds through community events and sponsorship activities in support of the charity's aims.
2. To increase awareness of testicular and prostate cancer through presentations, community engagement and media coverage.
3. To provide meaningful financial support to hospices and organisations whose objectives align with those of the charity.
4. To maintain sufficient reserves to ensure the charity's ongoing sustainability.

The charity successfully achieved these objectives during the year.

Fundraising activities, including the MTX charity lunch, two golf days and a sporting dinner at Littleborough Cricket Club, generated sufficient income to produce a net operating surplus of £56,034.
The charity also exceeded its objective of supporting local healthcare facilities through the award of £45,000 in grants to three hospices. Donations were made to East Cheshire Hospice, Beechwood Cancer Care and Springhill Hospice, including a contribution towards the purchase of a cuddle bed to support patients and their families.

Awareness objectives were achieved through continued media engagement and presentations delivered by Paul Ferriday at a number of John Sisk & Son construction sites, helping to promote the importance of early detection and testing for testicular and prostate cancer.

The Trustees are satisfied that the charity's objectives for the year were met and that its activities have continued to deliver positive benefits to communities across the North West of England.

Going Concern

The Trustees have prepared the financial statements on a going concern basis and have not identified any material uncertainties relating to events or conditions that may cast significant doubt upon the charity's ability to continue as a going concern for a period of at least twelve months from the date on which the financial statements are authorised for issue.

At the balance sheet date, the charity held total funds of £64,194. Together with the charity's reserves policy of maintaining a minimum reserve balance of £20,000, this provides sufficient resources to meet anticipated operating costs for the forthcoming year and supports the continued provision of grants and donations in line with the charity's objectives.

The level of available funding is reviewed at each Trustee meeting and is closely monitored throughout the year to ensure the charity remains financially sustainable and able to continue its activities into the future.

Risk Management

The Trustees carefully assess the potential risks facing the charity. Risk management is a standing agenda item at Trustee meetings to ensure that appropriate processes and controls are in place to provide reasonable, although not absolute, assurance against significant errors, losses or other adverse events.
The principal risks identified by the Trustees are:

1. Dependence on fundraising events and voluntary donations as the charity's primary source of income.
2. The potential cancellation or underperformance of fundraising events due to economic conditions, weather, venue availability or reduced attendance.
3. The risk of reduced sponsorship support from key corporate partners.
4. Reputational risk arising from ineffective governance or failure to meet stakeholder expectations.
5. The potential loss of key volunteers upon whom the charity relies to deliver its activities and fundraising events.
6. Financial risks associated with maintaining adequate reserves to meet operational commitments and future charitable donations.

To mitigate these risks, the Trustees:

1. Regularly monitor fundraising performance and cash flow forecasts.
2. Maintain strong relationships with sponsors, supporters and community organisations.
3. Review and monitor the charity's reserve levels against its reserves policy.
4. Prepare and monitor an annual budget and key performance indicators approved by the Trustees.
5. Ensure appropriate levels of authorisation, financial oversight and segregation of duties are maintained.
6. Regularly review operational activities and succession planning for key volunteer roles.

The charity operates entirely on a voluntary basis and has no full-time or part-time employees.
The Trustees recognise that the charity relies upon voluntary income and donations to fund its modest operating costs and to enable grants and contributions to be made to hospices and organisations whose values and objectives align with those of the charity. The Trustees will continue to monitor these risks throughout the year and take appropriate action where necessary to safeguard the charity's long-term sustainability.

Independent Examiner's Report to the Trustees of Ball Tampering Allowed Trust

Independent examiner's report to the trustees of Ball Tampering Allowed Trust
I report to the charity trustees on my examination of the accounts of Ball Tampering Allowed Trust (the Trust) for the year ended 31 December 2025.

Responsibilities and basis of report
As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under Section 145 of the Act and in carrying out my examination I have followed all applicable Directions given by the Charity Commission under Section 145(5)(b) of the Act.

Independent examiner's statement
I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by Section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

The notes form part of these financial statements

1. ACCOUNTING POLICIES

Basis of preparing the financial statements
The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011. The financial statements have been prepared under the historical cost convention.

Income
All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Expenditure
Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Grants offered subject to conditions which have not been met at the year end date are noted as a commitment but not accrued as expenditure.

Taxation
The charity is exempt from tax on its charitable activities.

Fund accounting
Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

Financial instruments
The Charity only enters into basic financial instrument transactions that result in the recognition of financial assets and liabilities like trade and other debtors and creditors, loans from banks and other third parties, loans to related parties and investments in ordinary shares.

Financial assets that are measured at cost and amortised cost are assessed at the end of each reporting period for objective evidence of impairment. If objective evidence of impairment is found, an impairment loss is recognised in the Statement of Financial Activities.

For financial assets measured at cost less impairment, the impairment loss is measured as the difference between an asset's carrying amount and best estimate of the recoverable amount, which is an approximation of the amount that the Charity would receive for the asset if it were to be sold at the balance sheet date.

2. INVESTMENT INCOME

	Year Ended 31.12.25	Period 11.3.24 to 31.12.24
