Section C Objectives and activities

Summary of the objects of the charity set out in its governing document	The objects of the CIO are to identify and promote projects and services which will improve the health and wellbeing of the communities and residents of Bawtry and Austerfield: # To apply for, and manage, sources of funding to improve the health and wellbeing of the Bawtry and Austerfield communities and residents. # To identify which services already exist and to assess gaps and

how to provide for them.
To make sure that these services are accessible; and to identify hubs to connect residents to providers and providers to residents.
To liaise with City of Doncaster Council (CDC) Health and Wellbeing officers and become aware of any services residents may access.
To use these connections to signpost residents where appropriate.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

Without funds to recruit another "Community Connector", the project needed to pause and take stock during 2025. Halfway through the year, two of the initial trustees of the charity - Alison Schofield and Sue Rose - decided they should step down. We thank them and Lorna Baglihole (our Community Connector) for their dedication and hard work in making a difference for the local communities.

At the final meeting of the three founding trustees, we were fortunate to be able to appoint a new trustee – Michael John White. He and the remaining trustee - Ivor Greer (who became Chair) - were able to oversee the charity from July 2025 while exploring future opportunities for helping the health and wellbeing of the residents of Bawtry and Austerfield.

In 2026, there will be a resumption of funding for groups in Bawtry and Austerfield to support their local communities.

In making decisions throughout the year the trustees have had regard to the to the Charity Commission's public benefit guidance.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

Section D Achievements and performance

Section D Achievements and performance

Summary of the main achievements of the charity during the year

We developed a Community Allotment – also known as Gilbert's Garden - on a plot made available by Bawtry Town Council and funded by a grant from CDC's Environmental Pride programme. Several of the volunteers have said how much their involvement helped with mental stress.

There has been a weekly Men's Club attended by up to 9 men (not all at the same time). Activities have included chatting, listening to speakers and doing various practical tasks at the Bawtry Town Hall. A programme of projects to improve appearances of key features of the community has also been drawn up.

Some members of this Men's Group decided to explore setting up a recognised "Men's Sheds" group. This began to operate during 2025 from a room in the basement of Bawtry Methodist Church.

Section E Financial review

Brief statement of the charity's policy on reserves

We do not have a reserves policy.
We operate on the basis of funds provided and have very low overheads.

Details of any funds materially in deficit

None

Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.
