Dear Sir or Madam,

Re: Streetlife (Leeds) – Submission of Annual Report and Accounts for the year ended 31 **December** 2025

The trustees of Streetlife (Leeds) submit the charity's annual report and receipts and payments accounts for the year ended 31 December 2025. The Charity Commission record shows the previous accounting period ended on 31 December 2024, and this report therefore covers the next full accounting year, from 1 January 2025 to 31 December 2025. During 2025, Streetlife did not have an operating base because the charity had previously been required to leave its premises after the landlord decided to redevelop the property for sale. This unexpected development curtailed the charity's formal activities during the year. No funds were raised and no charitable funds were disbursed. The charity's bank balance remained at £50.

Informally, Jamie Cook and Laura Cook continued to assist and support a number of vulnerable individuals who were formerly homeless and living on the street.

A new website is being developed, together with social media capability and a JustGiving account, in the hope that funds can be raised to secure a new operating base and resume Streetlife's charitable work in a more normal and active way.

Yours faithfully,

Jamie Cook

Chair of Trustees

Trustees' Annual Report and Receipts and Payments Accounts for the year ended 31 December 2025

Trustees' Annual Report
The trustees present their report together with the receipts and payments accounts for Streetlife (Leeds) for the year ended 31 December 2025. Streetlife (Leeds) is a Charitable Incorporated Organisation registered with the Charity Commission for England and Wales.

Its charitable purpose is to assist and support vulnerable people, including individuals who are homeless, formerly homeless, or otherwise living in difficult circumstances in the Leeds area. During the year, the charity was unable to operate in the way originally intended because it no longer had an operating base.

The charity had previously been required to leave its premises after the landlord decided to redevelop the property for sale. As a result, Streetlife did not have a physical base from which to organise activities, receive visitors, store materials, or deliver charitable support in a structured way. This materially curtailed the charity's formal activities during 2025. No formal fundraising took place and no charitable funds were disbursed. The charity's bank balance remained at £50. Although formal charitable activity was limited, Jamie Cook and Laura Cook continued informally to assist and support a number of vulnerable individuals who were formerly homeless and living on the street.

The trustees are developing a new website, social media capability and a JustGiving account. The trustees hope that these steps will enable Streetlife to raise funds to secure a new operating base and resume its charitable work in a more normal and active way. The trustees remain committed to the purposes of the charity. In the meantime, there are no further significant developments to report.
