CHARITY COMMISSION
FOR ENGLAND AND WALES

Trustees' Annual Report for the period

From **01 January 2025** **Period start date**
To **31 December 2025** **Period end date**

Charity name: Children of Tallis Ministries

Charity registration number: 1207689

Objectives and Activities

	SORP reference	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	**The advancement of the Christian religion for the public benefit.**
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	**For the period in question, no projects or services which can be identified in the accounts (i.e., an exchange of money) took place: instead, as shall be detailed further below, discussions as to how to proceed in future fundraising to achieve these aims occurred between the Members.**
Statement confirming whether the trustees have had regard to the guidance issued by the Charity Commission on public benefit	Para 1.18	**The Trustees have read and confirm their adherence to the guidance issued by the Charity Commission on public benefit.**

Additional information (optional)
You may choose to include further statements where relevant about:

	SORP reference	
Policy on grant making	Para 1.38	**No grant making activities occurred during the period in question.**
Policy on social investment including program related investment	Para 1.38	**No social investment occurred during the period in question.**
Contribution made by volunteers	Para 1.38	**Contributions by the Members of their time to internal discussion as to the future strategy for the charity's delivery of its mission to the public occurred on several occasions during the period in question.**
Other		

Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	**For the period in question, the charity was unable to achieve tangible results which could be reflected in this report, because the charity was unable to secure the funding needed to do so. This was despite a concerted and systematic effort undertaken to apply for grants listed on public databases for UK charities during the period in question. As a result of this, and in mindfulness of the purpose of the charity to create achievements for the public benefit, substantial internal meetings took place during the period in question as to how the charity could achieve funding in subsequent periods in the future.**

Additional information (optional)
You may choose to include further statements where relevant about:

Achievements against objectives set	Para 1.41	**Unfortunately, this was poor, as the charity was unable to secure any funding during the period in question.**
Performance of fundraising activities against objectives set	Para 1.41	**This was most disappointing of all. A large number of applications and cold-call approaches were sent to a variety of potential funding sources: both from public databases for grant opportunities, as well as manual searching of the Charity Commission Registry for England and Wales and cold-calling at the registered contact details for each.**
Investment performance against objectives	Para 1.41	**Through internal meetings, the charity was able to create a pitch deck and other media marketing materials which were circulated in the above applications and introductions. This was possible through substantial private time invested by the Members towards the identified objectives of creating said materials.**
Other		

Financial Review

Review of the charity's financial position at the end of the period	Para 1.21	**Financial position of the charity for the period in question is nil.**
Statement explaining the policy for holding reserves stating why they are held	Para 1.22	**The charity maintains a bank account for this purpose at Metro Bank. However, because the charity received nil income for the period in question, the account balance is likewise nil; therefore, the charity holds no reserves at the conclusion of the period in question.**
Amount of reserves held	Para 1.22	**Nil.**
Reasons for holding zero reserves	Para 1.22	**Lack of donations, despite substantial efforts to apply for grants and to make private introductions.**
Details of fund materially in deficit	Para 1.24	**There is no deficit, as the balance is simply nil.**
Explanation of any uncertainties about the charity continuing as a going concern	Para 1.23	**We believe that we have identified possibilities to create substantial further income in future financial periods, which we hope to realise for the following yearly reports.**

Additional information (optional)
You may choose to include further statements where relevant about:

The charity's principal sources of funds (including any fundraising)	Para 1.47	**n/a**
Investment policy and objectives including any social investment policy adopted	Para 1.46	**n/a**
A description of the principal risks facing the charity	Para 1.46	**The principle risk facing the charity is that it will never receive adequate funding to achieve progress towards its objectives and, therefore, fail to continue as a going concern. However, we believe that the new strategies which we have identified during this period in question will change these circumstances in future periods.**
Other		

Structure, Governance and Management

Description of charity's trusts:		**n/a**
Type of governing document (trust deed, royal charter)	Para 1.25	**CIO constitution from the Charity Commission template**
How is the charity constituted? (e.g unincorporated association, CIO)	Para 1.25	**CIO**
Trustee selection methods including details of any constitutional provisions e.g. election to post or name of any person or body entitled to appoint one or more trustees	Para 1.25	**The initial trustees remain at the conclusion of the period in question. One trustee (Joseph Grogan) was added to this charity from another related charity sharing the same trustees as the original trustees of this charity, in order to simplify discussions and internal work around fundraising strategies for both charities.**

Additional information (optional)
You may choose to include further statements where relevant about:

Policies and procedures adopted for the induction and training of trustees	Para 1.51	**n/a**
The charity's organisational structure and any wider network with which the charity works	Para 1.51	**For the period in question, none.**
Relationship with any related parties	Para 1.51	**As stated in the initial applications to the Charity Commission for registration of the CIO, an informal (i.e., non-material) link exists in relation to another CIO: the Alterity Arts Foundation, registered charity number: 12076890. It is from that charity that one of its trustees was onboarded to this charity.**

ADDITIONAL INFORMATION

[1] Scheme responsible for the protection of your eligible deposit

Your eligible deposit is covered by a statutory Deposit Guarantee Scheme. If insolvency of your bank should occur, your eligible deposits would be repaid up to £85,000 by the Deposit Guarantee Scheme.

[2] General limit of protection

If a covered deposit is unavailable because a bank is unable to meet its financial obligations, depositors are repaid by a Deposit Guarantee Scheme. This repayment covers a maximum of £85,000 per bank. This means that all eligible deposits at the same bank are added up in order to determine the coverage level. If, for instance a depositor holds a savings account with £80,000 and a current account with £20,000, he or she will only be repaid £85,000.

In some cases eligible deposits which are categorised as "temporary high balances" are protected above £85,000 for six months after the amount has been credited or from the moment when such eligible deposits become legally transferable. These are eligible deposits connected with certain events including:

(a) certain transactions relating to the depositor's current or prospective only or main residence or dwelling;

(b) a death, or the depositor's marriage or civil partnership, divorce, retirement, dismissal, redundancy or invalidity;

(c) the payment to the depositor of insurance benefits or compensation for criminal injuries or wrongful conviction.

Metro Bank PLC is registered in England and Wales, company number 6419578. Registered office: One Southampton Row, London WC1B 5HA. ADDITIONAL INFORMATION *(continued)*

More information can be obtained under http://www.fscs.org.uk

[3] Limit of protection for joint accounts

In case of joint accounts, the limit of £85,000 applies to each depositor. However, eligible deposits in an account to which two or more persons are entitled as members of a business partnership, association or grouping of a similar nature, without legal personality, are aggregated and treated as if made by a single depositor for the purpose of calculating the limit of £85,000.

[4] Reimbursement

The responsible Deposit Guarantee Scheme is the Financial Services Compensation Scheme, 10th Floor Beaufort House, 15 St Botolph Street, London, EC3A 7QU, Tel: 0800 678 1100 or 020 7741 4100, Email: ICT@fscs.org.uk. It will repay your eligible deposits (up to £85,000) within 10 working days from 1 January 2021 to 31 December 2023; and within 7 working days from 1 January 2024 onwards, save where specific exceptions apply.

Where the FSCS cannot make the repayable amount available within 7 working days, it will, from 1 June 2016 until 31 December 2023, ensure that you have access to an appropriate amount of your covered deposits to cover the cost of living (in the case of a depositor which is an individual) or to cover necessary business expenses or operating expenses (in the case of a depositor which is not an individual or a large company) within 5 working days of a request.

If you have not been repaid within these deadlines, you should contact the Deposit Guarantee Scheme since the time to claim reimbursement may be barred after a certain time limit. Further information can be obtained under http://www.fscs.org.uk.
