Structure governance and management

ONSUR Relief is governed by its constitution as a foundation Charitable Incorporated Organisation, registered with the Charity Commission for England and Wales on 26 April 2024. The trustees are responsible for the charity's control, management and administration.

The constitution governs the appointment and retirement of trustees and the arrangements for making decisions on behalf of the charity.

Objectives

The charity's registered purpose is to advance the Islamic faith for public benefit. Its stated means include worship facilities, religious education delivered online and in person, prayer gatherings, lectures and religious festivals, community relations, educational, social and cultural activities for the Muslim community, and community outreach.

Activities achievements and public benefit

The charity was inactive throughout 2025. It did not undertake fundraising, deliver projects or services, make grants, or carry out partnership development, planning or other voluntary activities. There are therefore no programme achievements or beneficiary outcomes to report for the year.

In approving this report, the trustees confirm that they have considered the Charity Commission's public benefit guidance in reviewing the charity's purposes and this report. No public benefit outcomes from charitable activities are reported for 2025 because the charity was inactive.

Financial review

No donations or other income were received, and no expenditure was incurred during the year. Bank and cash balances were £0 at both the start and end of the reporting period. No unpaid liabilities were reported at the year end.

No reserves were accumulated because the charity received no income and incurred no expenditure. On approval of this report, the trustees adopt an approach of assessing the reserves needed before commencing funded activities, taking account of anticipated expenditure, commitments and financial risks.
