Structure and details of how it is managed, including how trustees are recruited

The DOC Church operates as a Charitable Incorporated Organisation in which the charity trustees are also the only voting members, meaning governance and membership are identical in structure. The trustees collectively manage the affairs of the CIO and exercise all its powers, with a minimum of three trustees required at any time to maintain proper governance. Trustees must meet specific eligibility criteria, including being at least 18 years old, subscribing in good conscience to the Statement of Beliefs, and holding an office within the church, such as Apostle, Elder, Prophet, Evangelist, Pastor, Teacher, or Deacon (although there can be exceptions based on experience). The recruitment of new trustees occurs by resolution at a properly convened trustees' meeting, with each appointment lasting a three-year term. In selecting new candidates, the existing trustees must consider the skills, knowledge, and experience necessary for the effective administration of the CIO.
