Annual Report:

Charity Number: 1208495

Period: 01/01/2025 - 31/12/2025

Dear Charity Commission,

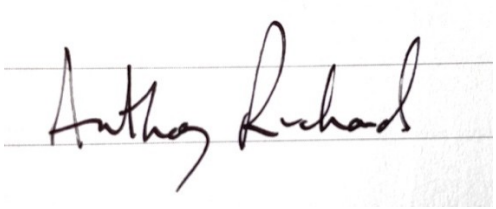

This CIO charity has been set up as a new organisation.

The existing Bradninch Town Trust (Charity number 200847) is soon to be closed down and its assets will be migrated to this new CIO.

All trustees are the same for both organisations.

This explains why for the above period we have had no activities to report on, and no financial transactions made.

Sincerely

Anthony Richards

Trustee
