Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

The advancement of education for the benefit of people with disabilities the provision of a hydrotherapy pool facility.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

The Charity provides a hydrotherapy facility for the benefit of people with permanent or temporary disabilities. The hydrotherapy pool helps people with disabilities to exercise effectively and can assist in the treatment and management of certain disabilities. The disability could be physical, mental or both. The facility is open 7 days and 60 hours per week. A requirement of use of the facility is that beneficiaries must have a referral from a medical practitioner. The charity provides education through the provision of physio lead sessions to allow beneficiaries to make the most use of the facilities and to ensure they are using it effectively. The pool is often used to support external organisations such as special needs schools and adult care establishments.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

Section D Achievements and performance
