Aims and Purposes

The Apostolics of Swansea (AOS) exists to advance the Christian religion for the benefit of the public in accordance with the statements of belief appearing in the Statement of Faith of the UPCGB & I.

Objectives and Activities

AOS is committed to enabling as many people as possible to worship and be a part of the church. The church engages in the following activities throughout the year:

- regular public worship, prayer, Bible study, preaching and teaching;
- baptism, in accordance with the UPC of GB&I beliefs;
- evangelism and mission, locally, regionally, nationally and internationally;
- the teaching, encouragement, welcome and inclusion of young people and children;
- nurturing and growing of disciples of Christ;
- education and training in the Christian faith in accordance with UPC of GB&I beliefs;
- giving and encouraging pastoral care;
- encouraging relationships, cooperation and support of other churches within the UPC of GB&I.

Each of these are important as we maintain the fabric of the church community.

Achievements and Performance

AOS has attempted to offer a range of services during the week over the course of this year. We have had Bible studies, fellowship gatherings, outreach events as well as our regular Sunday worship service. We have attempted to engage more people in being involved in different areas of the church in a service capacity.
Our first Annual General Meeting was convened with Evelin Martinez being voted as Secretary/Treasurer.

We have continued to rent a facility which continues to serve the needs of the congregation while also being fiscally responsible.

Financial Review

We received a total of £10,015 in donations, the vast majority of which being internal donations. There was one consistent donor who contributed £625 over the course of the year. This brought our total income to £10,640.

The total expenses for this time period covered were £8,011. This included facility rental fees, expenses for events, promotions, speaker expenses, insurance and MOT expense for the use of a van.

With previous funds brought forward, current donations, minus expenses, it left us with a balance on hand of £7,237 on January 31st, 2026.
