Charity registration number: 1209376

Trustees

The Trustees who served during the period and up to the date of approval of this report were:

- Dale Martin Jones
- Sara Shimi
- Paul Crisp
- Mark Seddon
- Amanda Coleman

The Trustees are responsible for the overall governance and administration of the CIO and for ensuring that the charity operates in accordance with its governing document and charitable purposes.

Structure, governance and management

RSPCA Manchester and Salford Branch CIO is a Charitable Incorporated Organisation (CIO) registered with the Charity Commission for England and Wales on 1 August 2024.

The CIO was established as the successor organisation to the existing RSPCA Manchester and Salford Branch and was created to provide an appropriate incorporated charitable structure for the Branch's future activities.

The CIO is governed by its constitution and is administered by its Board of Trustees.

Charitable purposes

The objects of the CIO are:

> "The objects of the Branch are to promote the work and objects of the Society, in particular, but without limitation, in the area, in accordance with the policies of the Society."

The objects of the Society referred to in the CIO's governing document are:

> "To promote kindness and to prevent or suppress cruelty to animals."

The CIO's area of operation is Manchester and Salford.

Objectives and activities

The CIO was registered on 1 August 2024. During the period covered by these accounts, the CIO was not operational and did not undertake charitable activities.

The period represented the establishment and continuation of the CIO as a registered charitable organisation pending the commencement of its operational activities. Consequently, the CIO received no income, incurred no expenditure and held no assets or liabilities during the reporting period.

No charitable services were delivered, no grants were made and no fundraising or trading activities were undertaken by the CIO during the period.

The Trustees nevertheless maintained oversight of the CIO and ensured that it remained appropriately constituted and registered pending commencement of operations.

Public benefit

The Trustees have considered the Charity Commission's guidance on public benefit in carrying out their duties.

As the CIO had not commenced operational activities during the reporting period, it did not directly deliver charitable benefit during this period. Its charitable purposes, however, are directed towards promoting kindness to animals and preventing or suppressing cruelty to animals, with particular reference to the Manchester and Salford area.

The Trustees intend that, once operational, the CIO's activities will be directed towards achieving these charitable purposes and providing public benefit in accordance with its governing document.

Achievements and performance

As the CIO had not commenced operations during the reporting period, there were no charitable activities, outputs or outcomes to report.

The principal achievement during the period was the establishment and maintenance of the CIO as a registered charitable organisation, providing the appropriate legal and governance framework for the future delivery of its charitable purposes.

Financial review

The CIO had no financial activity during the reporting period.

Total income for the period was **£nil** and total expenditure was **£nil**. At 31 December 2025, the CIO had no assets, liabilities or funds.

The Trustees consider the financial position of the CIO to be appropriate given that it had not commenced operations during the reporting period.

Reserves policy

As the CIO had no income, expenditure, assets or liabilities during the reporting period, no reserves policy was required to be operated during this period.

The Trustees will review and approve an appropriate reserves policy when the CIO commences operations and begins to hold and expend charitable funds.

Plans for future periods

The CIO's intention is to commence charitable operations in accordance with its governing document and to use its expertise and resources to promote kindness to animals and prevent or suppress cruelty to animals within its area of benefit.

The Trustees will ensure that appropriate governance, financial controls, policies and operational arrangements are in place before the CIO begins operating and undertaking charitable activities.

Trustees' responsibilities

The Trustees are responsible for preparing the Trustees' Annual Report and financial statements in accordance with applicable law and regulations.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the CIO's transactions and disclose, with reasonable accuracy at any time, the financial position of the CIO.

The Trustees are also responsible for safeguarding the assets of the CIO and for taking reasonable steps to prevent and detect fraud and other irregularities.

Statement of Trustees' responsibilities

The Trustees are responsible for preparing the financial statements in accordance with the requirements of the Charities Act 2011 and applicable accounting regulations.

The Trustees have considered the CIO's financial position and are satisfied that the accounts have been prepared on a going concern basis.

Approval

This report was approved by the Trustees on **24 September 2026** and signed on their behalf by:

Mark Seddon
