RELIEF AND SHELTER TRUST

Statement of responsibilities of the trustees

This Relief and Shelter Trust formed on 20 Auguest 2024 .
The trustees (who are also directors of the charity for the purposes of company law) are responsible for preparing the trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102: The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).
Objectives and activities Achievements and performance.

The Relief and Shelter Trust commenced active operations during this reporting period, January in 2025. Much of the Relief and Shelter Trust's activity in the first few months of operation involved setting up appropriate systems in order to support its future work, and initial activities such as opening its bank account and holding initial trustee meetings. During this period, the trustees worked to support the Future of Humanity Institute in its work as much as it was able to do so, and also worked to explore and support other charitable projects which could address human civilisation's long-term prospects for survival and flourishing. This mainly involved facilitating discussions and research into potential projects which could achieve the Foundation's charitable purposes.

Relief and Shelter Trust commenced operations and set up the necessary systems to support its future charitable activities. It carried out detailed planning activities in order to consider how it might best support the Future of Humanity Institute in the future, with the aim of supporting the Future of Humanity Institute in conducting its research on identifying and mitigating potential existential risks to humanity. The Relief and Shelter Trust also provided support to two other charitable projects, which aimed to consider alternative ways to address human civilisation's long-term prospects for survival and flourishing, including supporting those projects in considering the best way to structure their activities for charitable purposes.
