Lisvane Memorial Hall (LMH) was originally set up by a permanent endowment made in 1947 (Charity Number 524175) and was registered as a Charitable Incorporated Organisation with number 1211212 on 2nd December 2024. The Treasurer opened a bank account for the CIO which started being used at the beginning of October 2025 and by the end of the financial year, most payments and receipts were using the new account; this report relates to the CIO, there is a separate report for Charity 524175.

The Charity is administered by a committee of Trustees (maximum number 12) who are the same people that administer Charity 524175. They are elected annually at the Annual General Meeting. Any person, 18 years of age or above, who resides in the Ward of Lisvane, or a person associated with LMH and agreed by the Trustees to stand for election, can be elected as a Trustee. The Trustees meet at least 6 times per year to administer the charity, which is for the purposes of physical and mental training and recreation and social, moral and intellectual development through the medium of reading and recreation, library, lectures, classes, recreations or otherwise as may be found expedient for the benefit of the inhabitants of the Ward of Lisvane, without distinction of sex, or of political, religious or other opinions. The Trustees consider this public benefit when making decisions and examples include the Trustees' support for the Lisvane Festival and extra discounts to hire rates available to local groups for certain types of event.

The financial year 1st March 2025 to 28th February 2026 saw the usage of LMH gradually increase. There has been a significant increase in casual hires and many long-term regular hirers continue to use the facility. Although the hire rates are assessed by the Trustees twice a year, it has not been necessary to increase them in this financial year.

Since the new bank account was set up and this Charity became active in October 2025, improvements to the Committee Room (new heating system, carpet and furniture) and the Small Hall (new kitchen, sound system, including hearing loop and furniture) have started, this work will which will be completed in 2026-2027. Other projects being scoped include improving accessibility inside and outside the Hall and heating using renewable energy, including photovoltaic panels, in line with the Welsh Government's plan to reduce carbon emissions to zero by 2050. This work will require further grants from appropriate organisations.
