Friends Of Crag Bank Nature Reserve

Financial report from initiation to year end 2026

The trustees for the nature reserve were appointed in 2024 and an account with Santander Bank opened with a donation from Steve & Belinda Garland. In April 2025 charity status was achieved and a donation for the purchase of the land was received from Phil Brighton's trust fund in July. Solicitors were appointed to undertake the land transaction but this has proved more problematical than anticipated. In preparation, public liability insurance was taken out in September. The rural payments agency payment for grazing management over the summer of 2025 was transferred from the current owners to the charity in December. Total income was £58,364.07 with expenses of £932.26 leaving a balance to carry forward of £57,431.81
