Heart of Monmouthshire Ministry Area CIO

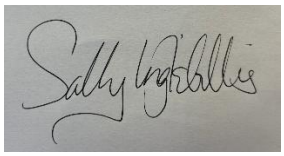

The Heart of Monmouthshire Ministry Area was established and registered as a charity in 2022 (1200595 ).

Following work done by the Church in Wales and the Charity Commission to allow Ministry Areas to become CIOs HoM MA (1200595) took the decision to do so in Autumn 2024 and began the preparation for this. The CIO, this charity (1213661), was successfully registered in June 2025. At this point the 'old' charity registration (1200595) continued to exist and operate and it wasn't until July 2026 that HoM passed the resolution to transfer the assets of the 'old' charity to the 'new' CIO (1213661).

This means that although the Ministry Area was operating, both financially and practically for the period covered in this return (17/6/25 – 31/12/25), none of this activity was under the CIO registration (1213661). This is therefore a nil return.

For details on the activities that were taking place please see the report submitted under Heart of Monmouthshire Ministry Area, 1200595.
