Section D Achievements and performance

Summary of the main achievements of the charity during the year

This year has been rather more disruptive than usual for a variety of reasons. However, we managed to overcome many of the issues involved and make progress in several areas without interrupting our normal mission in the UK.

- We were refused two visas for entry to the UK as Temporary Workers due to changes in the Home Office Regulations, which resulted in us having to approach Professional Legal Advisers who specialise in this area to act on our behalf. This involved quite important additional costs which we felt obliged to accept rather than close the work of the Charity in the Uk, which our International Body was keen to ensure continued. Ultimately, we benefitted by successfully acquiring Visas for two Sisters with the required professional qualifications to allow their entry. This has been enormously encouraging for us due to their much-needed skills.
- We have experienced Fraud this year which the Bank has successfully resolved.
- More importantly, one of our members was scammed – panicked into believing the Scammers who claimed they were the local Police, that the Community accounts had been compromised, and that she was responsible. We involved the Police who came to visit and interview her (Report and relevant papers have been sent to our Accountant)
- In an attempt to acquire a better financial deal, and for ecological reasons, we have transferred to a metered system for Water and installed Water Butts on both premises.
- Our Solicitors, Bellazzo Lewis Smith, inform us they have submitted the Application to the Official Custodian of the Charity Commission in relation to our two properties and we await their response.
- The transformation of the "garage" into an en-suite provision at ground level, for the use of an elderly member who can no longer climb stairs, has been satisfactory completed.

Training

Two Sisters attended a conference on Care of the Elderly within the community. This was organised by the Conference for Religious in England and Wales where common good practice is shared and advice given.

One of our members is on the European Training Team for new members and whilst working as a Chaplain in a large Secondary School in London, did a great deal of travelling across Europe during school holidays to deliver training to younger members at various levels of their Formation as Missionary Sisters.

One member followed English lessons throughout the year.

One Sister travelled to the Congo for a family visit.

Spiritual and Pastoral Provision

Our Chapel has been in constant use throughout the year:

- for weekly Liturgical celebrations, remaining open also to those who wish space for prayer throughout the week
- We provided 3 Days of Reflection and Retreat for groups within the community and participated in providing two Retreats at other venues.
- This year was dedicated a "Jubilee Year" within the Roman Catholic Church and we participated with spiritual input in pilgrimages to both Rome and Bradwell on Sea.
- Several members made weekly visits to the elderly, isolated and sick people in the area and also provided Chaplaincy provision within a Care Home.
- Our Associates meet monthly
- Several people come for 121 Spiritual Direction and Accompaniment throughout the year.
- One member works as School Chaplain and Another as a Carer in a local Care Home.
- At the request of the local Bishop, one member acts as Vicar for Religious in Brentwood Diocese, responsible for co-ordinating gatherings of the Religious Orders.
- We invited our neighbours to celebrate Eid and attended General Gatherings organised by the Centre for Theology and Community.

Additional Activities

Our annual Garden Party which raises funds for our Orphanage in Congo, was well attended by more than 120 people that day and we organised an additional "Garden Party" for members of the local Church in gratitude for their work with us throughout the year.

Repairs to properties and Planning for the future

- We changed, out of necessity, the lighting our Chapel

- The removal of two adjoining chimneys, both back and front and dangerous condition, has been programmed for the coming yea has been agreed with the neighbour whose chimneys are also in has been agreed and work is planned to proceed during the com

On the whole, we consider the year was a satisfactory one and that we remained faithful to our Mission as a Charity.

Section E Financial review

Brief statement of the charity's policy on reserves	The care of our elderly members remains a priority together with training of young women who join our Missionary Institute. This demands an important investment in both time and finance and sufficient reserves are held for this purpose.
